

## ABCA Privacy Policy

ABCA is committed to protecting the privacy of medical cannabis patients and caregivers through the following measures:

- **No Data Sharing:** Your personal information is never shared with any District or federal government agency, or third parties.
- **Discreet Transactions:** Purchases are tracked by a unique patient number only. The system does not use or store your name or other identifying details.
- **Photo-Free IDs:** Newly issued [registrations](#) no longer include a face photo to further safeguard your identity.
