6	\$165,100	\$247,650
7	\$176,500	\$264,750
8	\$187,900	\$281,850

The submission of a copy of the qualifying applicant's filed income taxes or withholdings in the District of Columbia for calendar year 2022 must be submitted by a qualifying applicant to establish that the individual satisfies the median family income limits set forth in measure three.

If not possible to obtain, an applicant must submit a notarized statement of net income anticipated to be received within the next (12) months, based on the previous twelve (12) months and an explanation of the reason for failing to obtain and submit the applicant's filed income taxes or withholdings in the District of Columbia for calendar year 2022.
