RETAILER LICENSE APPLICATION INSTRUCTIONS

Overview

The Alcoholic Beverage and Cannabis Administration (ABCA) will begin accepting Retailer license applications during designated open application periods published in the D.C. Register pursuant to the requirements of the Medical Cannabis Amendment Act of 2022 and regulations set forth in Title 22-C. A Retailer is permitted to dispense medical cannabis, medical cannabis products, and paraphernalia to qualifying patients and the caregivers of qualifying patients and may manufacture, possess, distribute, and purchase paraphernalia. A Retailer is permitted to deliver medical cannabis and medical cannabis products to qualifying patients and their caregivers with a delivery endorsement. A Retailer is also permitted to apply to ABCA for a (1) safe-use treatment facility endorsement, (2) summer garden endorsement, and (3) education tasting endorsement.

This application is for Retailer applicants that already have a proposed facility location. Retailer applicants without a proposed location can file a one-year conditional license application with ABCA during the applicable open application period. Retailer applications accepted by ABCA are required to undergo a 45 calendar day public comment period.

At least 50% of all new Retailer licenses are required to be set aside for social equity applicants. Retailer applicants must meet the general qualifications below and may not hold a Testing Laboratory or Courier license.
