3	CHAIRPERSON ANDERSON: Good morning,
4	everyone. We're on the record.
5	As Chairperson of the Alcoholic
6	Beverage Control Board for the District of
7	Columbia, in accordance with D.C. Official Code
8	Section 2576 of the Open Meetings Act, I'm
9	welcoming you to the regularly scheduled meeting
10	of the Alcoholic Beverage Control Board.
11	This meeting is being conducted
12	pursuant to guidance made available by the

16	Pursuant to this guidance, notice of
17	today's meeting was provided 48 hours in advance
18	of the meeting on ABRA's website and on the

MEMBER GRANDIS: Edward Grandis.
Present.
CHAIRPERSON ANDERSON: The Board has
seven members in attendance for the conduct of
business today, and that constitutes a quorum.
Before we get underway with today's
hearing calendar, I need to make a few
instructions that are clear, so that the conduct
of these hearings is understood by everyone.
There are two cases on our calendar
for today, one case this morning and a case that
at least that's on the calendar for the
afternoon, which I will make an announcement that
that case is going to be postponed until a
different date.
Once a case is called, I will take a
moment for our IT specialist to elevate the
rights for each party to enable their camera and
microphone. Then, and only then, will you have
the ability to enable your equipment.
If your case has not been heard, you
will remain mute and your camera will be
disabled.
At the conclusion of each case, the
parties will have the option to leave. If the

party chooses to stay, all cameras and 1 microphones for that concluded case will be 2 3 disabled. Should you have any questions or 4 5 require technical assistance during the hearing, please submit them using the question and answer 6 7 feature or email simone.andrews2@dc.gov. Our first case this morning is a fact-8 9 finding hearing on Wasted, Inc., trade name Cru 10 Hemp Lounge, License Number 117958. 11 Ms. Andrews, can you please elevate 12 the rights of the licensee and their 13 representative, please. 14 MS. ANDREWS: Sure. Standby. 15 Mr. Morris, your rights have been 16 elevated. 17 Mr. Bryant, your rights have been 18 elevated. 19 That's all, Mr. Chair. CHAIRPERSON ANDERSON: Mr. Bryant, can 20 21 you, if you have a camera, please turn the camera 22 on, if you -- all right. Good morning, 23 everybody. 24 Good morning. MR. BRYANT: 25 CHAIRPERSON ANDERSON: Now, this is

we have a fact-finding hearing, and the -- a license was requested for this establishment, Cru Hemp Lounge. This is a new concept for us, and we're in a fact-finding hearing.

5 The purpose of the fact-finding hearing is to just gather information. The Board 6 7 has not made any decision. We are just trying to 8 get some information about this business, the 9 business model, what your intentions are. And 10 once this information is provided, we will make a 11 determination.

Fact-finding hearings also -- no one
is sworn in. It's informal, so this is not a
formal process. It's a fact-finding hearing.

15 So answering -- if you can answer the 16 questions that I ask, or the Board asks, it 17 behooves you to answer truthfully any question 18 the Board asks. Because if we're going to make a 19 -- if we're going to make a decision -- and, 20 clearly, if we have an answer, if we have a 21 question, and if you don't answer the question, 22 then that -- it's human nature. I'll just say it 23 that way.

It's human nature that if -- if
someone has a question, and they ask a question,

Neal R. Gross and Co., Inc. Washington DC

3

and if you don't give them an answer, then 1 2 they're going to ponder in making their decision 3 why you didn't answer. But I'm just saying it's 4 an informal procedure -- proceeding, and we're 5 just gathering information. All right. So let's start with -- and 6 7 I don't know, let's -- so, Mr. Bryant, can you 8 spell and state your name for the record, and 9 state who you are, please. 10 MR. BRYANT: Sure. My name is Michael 11 That's M-I-C-H-A-E-L, Bryant, B-R-Y-A-N-Bryant. 12 And I am one of the owners of Wasted, т. 13 Incorporated. We 14 CHAIRPERSON ANDERSON: I just -- I 15 just want to get your -- just your name first. 16 And, Mr. Morris, go ahead, please. 17 MR. MORRIS: Hi. My name is Sean 18 Morris, Morris Law Firm. My address is 19 9210 Corporate Boulevard, Suite 230, Rockville, 20 Maryland 20850. And I am counsel for the 21 applicants on this license. 22 CHAIRPERSON ANDERSON: So who is going 23 to speak? Are you -- is it you, Mr. Morris? Or 24 you, Mr. Bryant? Let me -- let me -- who should 25 Ι

1 MR. MORRIS: Mr. Bryant is certainly 2 more than capable, and he's actually looking forward to answering any of the Board's questions 3 regarding this concept, just by way of a very 4 5 brief introduction, and Mr. Bryant is far more capable than I am of explaining the concept. 6 7 But just for the Board's reference, 8 this is a franchise concept out of Atlanta. They 9 have more than a dozen locations either open or 10 in development, primarily in the southeast and

10 In development, primarily in the southeast and 11 southwestern United States. It was founded by 12 Dennis McKinley, who is a very experienced 13 franchisor. You might have heard of the Original 14 Hot Dog Factory. They also have more than a 15 dozen locations ranging from Brooklyn down to 16 Atlanta.

17 This will be the first Cru Hemp Lounge 18 in the District of Columbia. And I know 19 Mr. Bryant is -- we're pleased, actually, to have 20 this opportunity to answer the Board's questions 21 about the concept and what we plan to bring to 22 the District of Columbia.

CHAIRPERSON ANDERSON: All right. So
basically what I -- what I will start with is
just, either you, Mr. Morris, or Mr. Bryant just

Neal R. Gross and Co., Inc. Washington DC

tell us -- provide us information regarding your 1 2 other ones, and so on. 3 Is there a Mr. McKinley on the line 4 that you need us to elevate? Who is that? 5 MR. BRYANT: Mr. McKinley is the founder of the franchise. He is on the line, so 6 7 he 8 CHAIRPERSON ANDERSON: Okay. So we 9 can -- do you want us to elevate his rights? And 10 that's why I'm saying, if you 11 MR. BRYANT: Yes. 12 MR. MORRIS: Mr. Chairman, we thought 13 it might be helpful to have Mr. McKinley. He is 14 the founder of the concept. He is overseeing the 15 development of all of the other locations and 16 knows more about what's happening with the ones 17 that are in development and open already. 18 And we just wanted to make him available to the Board to answer any questions, 19 20 to the extent that might be helpful to 21 CHAIRPERSON ANDERSON: All right. 22 MR. MORRIS: -- helpful in this fact-23 finding hearing. 24 CHAIRPERSON ANDERSON: Okay. So, 25 Ms. Andrews, again, elevate his rights. So if he

1 wants to speak, he can speak. He doesn't have 2 to, but -- and so if you see me pick up my phone, 3 it's not that I have more important things that I need to do. It's just that because we're doing 4 5 all of this remotely, so I'm getting information from the agency itself. So that's how I know the 6 7 -- that's why I've got my phone, and I was told 8 there's a -- there's a Mr. McKinley somewhere 9 hanging out in the background. 10 MR. MORRIS: Okay. 11 CHAIRPERSON ANDERSON: All right. So 12 just wanted people to know I'm not being -- it's 13 not like I have more important things to do that 14 are more important. It's that I'm trying to make 15 sure that I manage this hearing and do the 16 technical things, too. So whenever -- I don't see 17 18 Mr. McKinley at the moment. When he is -- yeah, 19 Mr. McKinley, if you want to -- if you want to 20 unmute your phone, turn your microphone on, and 21 just introduce yourself for the record, and spell 22 and state your name, sir, when you're ready. 23 Mr. McKinley, can you please identify -- identify yourself for the record, please. 24 25 MS. ANDREWS: Mr. Chair, it looks like

he is having connection issues. 1 2 CHAIRPERSON ANDERSON: Okay. A11 3 right. Thank you. Thank you, Ms. Andrews. Once Mr. McKinley -- once he 4 identifies himself by -- I will have -- I will 5 give him an opportunity to identify himself for 6 7 the record. 8 So either you, Mr. Bryant, or 9 Mr. Morris, what the Board is concerned about, 10 just tell us about the concept. What is it that 11 you have -- what is it that you have in mind? 12 Just tell us as much information -- again, it's a 13 new concept. 14 Mr. McKinley, are you -- Mr. McKinley, 15 we can't hear you, so maybe you need to log off 16 and log back on. 17 McKinley, D -- D-E-N MR. MCKINLEY: 18 CHAIRPERSON ANDERSON: Hold on. 19 Mr. McKinley, I believe that your internet 20 connection is poor, so I would ask for you to log 21 off and log back on, and maybe you'll get a --22 okay. All right. Mr. McKinley, can you -- I can 23 see you. So can you spell and state your name 24 for the record, please. 25 All right. We'll -- Mr. McKinley, I

saw you for a minute, but I couldn't hear you. 1 So what we're going to do is we'll just -- we'll 2 3 keep you mute. You can mute yourself. And if there is -- once you have gotten your connection 4 5 issues settled, and if we have any specific questions for you, we will ask you. 6 7 So what we are -- where we are right 8 now, either Mr. Bryant or Mr. Morris, just tell 9 us about who you are. I mean, I think, 10 Mr. Bryant, you can tell us about who you are. 11 You can start telling us who you are. 12 I mean, is this a new venture for you? 13 Have you ever owned a license? Have you owned a 14 business? What type of experience, if any, do 15 you have running a business? And just tell us 16 about your business and the concepts that you 17 want to introduce to the District, please. 18 MR. BRYANT: Sure. My name is, again, 19 Michael Bryant. Good morning, Board. Ι 20 appreciate you guys having me on. 21 A little bit of background about 22 myself. I currently own a commercial cleaning 23 company that operates out of Pennsylvania. We 24 have three commercial franchises that we own and 25 operate there. Military veteran. Government --

prior government employee. I worked for the Department of the Army in Arlington, Virginia, at the National Guard Bureau, for over 18 years, and then decided to make a change in life and opened cleaning franchises.

Met with Mr. McKinley and decided to 6 7 partner up with him and open some franchises throughout the District of Columbia and 8 9 Pennsylvania. The concept that we are trying to 10 bring to the D.C. area is called Cru Hemp Lounge. 11 It's an upscale lounge that is by reservation 12 And it's a two-hour interval, and then only. after that the next set of reservations come in. 13

14 Our business consists of ourselves, 15 and things consist of 50 percent alcohol, 16 40 percent food, and 10 percent tobacco. We do 17 offer the option of CBD to be added to the 18 tobacco, and that's where you get -- we're doing 19 that for all of our customers.

We are a forward-looking company. We see the way of the future in regards to THC and things of that nature. So we added the word "hemp" in there because we do use CBD currently, and that's how we operate. That's our branding. So that's a little bit about the

company. We do have currently right now, as 1 2 Mr. Morris said, locations currently open and 3 operating in the State of Georgia, the State of Texas, and the State of North Carolina. And we 4 5 have another 15 or so, if not more, that are under development, again, in Georgia, Arizona, 6 7 Michigan, Tennessee, Texas, Florida, Alabama, 8 North Carolina, a D.C. location, and a Pittsburgh 9 location as well. 10 CHAIRPERSON ANDERSON: Anything else 11 you want to share before we ask questions? Ι 12 mean, as I said before, it's you telling -- you 13 put it out there first, and then, once you put it 14 out there, then we'll ask questions, because this 15 is a new concept to us also. So I'll -- with full disclosure, I did 16 17 go and Google the -- Google the name of the 18 concept online, so I have some information, so 19 I'll put it out there because I -- it's a new 20 concept. So I 21 MR. BRYANT: Your connection broke up 22 a little bit. 23 CHAIRPERSON ANDERSON: Oh. I was just 24 saying, with full disclosure, I went and I 25 Googled the name to look. So I'm not going to

1	to look and see, so I'll put that out there. But
2	that still has that still has not provided me
3	with sufficient information to know more about
4	it.
5	You talk about the fact that you
6	infuse CBD in the tobacco process. So
7	MR. BRYANT: Yes.
8	CHAIRPERSON ANDERSON: how, I mean,
9	does it do you do that, or is it is it
10	produced that way? Tell me about that.
11	MR. BRYANT: That process, with
12	hookah, we use what's called hashi in the hookah
13	process, and they can actually add to when
14	they're making that when they're making the
15	hookahs in the establishment, basically, we make
16	them based on flavor. And when we're making
17	those flavors, if they want CBD infused, it's
18	just CBD added to that process.
19	CHAIRPERSON ANDERSON: All right. You
20	didn't mention hookah before. You didn't mention
21	hookah before, but you know that there's a
22	separate process in D.C. for hookah. Is that
23	hookah having a hookah, that's another process
24	through the Department of Health, and you'd have
25	to get a permit from the Department of Health.

And you're also aware that at least during the 1 2 public health emergency that hookah is not --3 cannot occur in D.C. So these are things that you can -- you are aware of. 4 5 Have you investigated this process to get a license for hookah through the Department 6 7 of Health? 8 MR. BRYANT: Yes, sir, we have. We 9 have also applied for the smoke exemption and everything else that follows that as well. 10 11 CHAIRPERSON ANDERSON: But where --12 well, our law -- it's just not us. I'm just --13 I'm just asking, so how long ago did you apply 14 for this, and where are you in the process? 15 MR. BRYANT: We applied for it over 16 30 days ago, and they told us they would be in 17 contact once everything is validated and verified. 18 19 CHAIRPERSON ANDERSON: All right. And 20 so do you have -- I know that you have an address 21 on H Street. So is this -- is this a location? 22 What type of establishment is this on H Street? 23 MR. BRYANT: So on H Street, it's 24 816 H Street, Northeast. It is a building that has been used for various concepts before. 25

Currently, right now, there is a concept on the 1 third floor. We're on the second floor. 2 The 3 concept on the third floor is called Dirty Water. 4 It's a bar, and they have, you know, their liquor 5 license and things of that nature. We're going to the second floor, and 6 7 previous to us, the second floor was ran by a 8 company called Beetle House, I think. They owned 9 and operated a liquor license in that 10 establishment prior to us. 11 And the first floor under us is vacant 12 at the moment. 13 CHAIRPERSON ANDERSON: You're saying 14 that in the building -- so in the building, there 15 is -- there is another liquor establishment, 16 Dirty Water, is that what you're saying is --17 MR. BRYANT: Yes. 18 CHAIRPERSON ANDERSON: -- already 19 there? So they're on the second floor, and you 20 are 21 They're on the third MR. BRYANT: 22 floor. 23 CHAIRPERSON ANDERSON: And so your 24 space would be where, the second floor? 25 MR. BRYANT: The second floor.

1 CHAIRPERSON ANDERSON: So your -- tell 2 me about what your -- because your name is Cru 3 Hemp Lounge, so what does -- tell me about the hemp portion of it, and how did you come up with 4 5 this -- with this -- what role does hemp play in this process? And so it's -- the name is -- the 6 7 trade name is Cru Hemp Lounge. 8 MR. BRYANT: As of right now, it's --9 again, we are a forward-thinking company. We are 10 thinking forward to the future and the way that 11 things are going in regards to hemp, and things 12 of that nature. 13 It's right now in the -- currently in 14 the process it doesn't play a part because we use 15 CBD oil. We're just being prepared -- preparing 16 ourselves for the future and future concepts, so 17 if that were ever to come to fruition. 18 CHAIRPERSON ANDERSON: Now, have you 19 discussed -- do you know whether or not -- and 20 I'm asking you, since you're saying that CBD is 21 infused in the hookah process, I mean, what 22 knowledge or information do you have whether or 23 not you can -- you can utilize CBD in the hookah 24 process in D.C.? 25 MR. BRYANT: That has been researched

more so by Mr. McKinley as well as my business 1 2 partner, who is actually, you know, sitting on 3 the call with me listening. They have knowledge and know-how about that process. 4 5 CHAIRPERSON ANDERSON: All right. Now tell me about -- one of the things that you 6 mentioned before was that there's a reservation 7 8 system for two hours. Tell me about the concept. 9 I mean, how is it that -- how is this going to work? 10 11 And if I was to show up -- and say 12 this license was to be granted and I was to show 13 up, how is this reservation system -- and is it 14 permanent? Or is this reservation system just 15 because of the COVID-19? 16 MR. BRYANT: No, sir. It was 17 pre-COVID-19. It was developed during the 18 concept itself. So that's a permanent thing, and 19 you would go online for -- to make a reservation. 20 And once you made a reservation online, you know, 21 for you and your party, we would let you know if 22 it's available, let you know the process of, hey, it's a two-hour interval. 23 24 We let you know that, you know, when 25 you make the reservation, when we call and

> Neal R. Gross and Co., Inc. Washington DC

confirm the reservation, again, we let you know, you know, all of that, that it's two hours and you can't linger around after that during that process.

5 So your -- during your whole time we let you know, you know, how much time you have 6 7 remaining, and, hey, we're letting you know that 8 your party is ending at this time, you know, pay 9 your tab for your food, your -- if you had drinks 10 and things of that nature, and then we escort you 11 out of the establishment, so that we can clean 12 and prepare for the next set of reservations. 13 CHAIRPERSON ANDERSON: There is --14 there is a Kara Wilson on the line. Is that

15 someone who

16

1

2

3

4

MR. BRYANT: Yes.

17 CHAIRPERSON ANDERSON: Ms. Andrews, if 18 you can elevate this person, Kara Wilson, you can 19 -- if they -- yeah, you can elevate their rights, 20 if they want to be identified. And she can put 21 her information in the chat and -- if she wants 22 to be elevated.

Now, tell me how your -- you stated
that there are -- there's an operating
establishment in Georgia, Texas, and North

1	Carolina.
2	MR. BRYANT: Yes.
3	CHAIRPERSON ANDERSON: And from
4	it's my understanding the concept first came in
5	Georgia. So how does this reservation system
6	work? I mean, it's like, well, I'm I know the
7	way you explained it to me, but, I mean, I'm
8	I'm out to party. I'm at a tavern
9	MR. BRYANT: Yeah.
10	CHAIRPERSON ANDERSON: a tavern
11	lounge to party. And how do you mean you're
12	going to tell me that I only have two hours, and
13	when two hours is done, okay, I need to get up
14	and leave? Tell me about that.
15	MR. BRYANT: Yes. It's
16	MS. WILSON: Hi. How are you doing?
17	This is Kara.
18	CHAIRPERSON ANDERSON: I'm sorry. Can
19	you spell and state your name for the record,
20	please.
21	MS. WILSON: Hi. I'm Kara Wilson, K-
22	A-R-A, last name Wilson, W-I-L-S-O-N.
23	CHAIRPERSON ANDERSON: And who are
24	you, ma'am?
25	MS. WILSON: I have been in the
24	you, ma'am?

1	company for the last six years. I am the COO.
2	CHAIRPERSON ANDERSON: All right.
3	Thank you, ma'am.
4	If Mr. McKinley is he is he
5	there? Does he want to identify is his
6	connection
7	MS. WILSON: He is in the he is in
8	the airport, so his signal is really bad.
9	CHAIRPERSON ANDERSON: All right.
10	That's fine. Okay. I'm sorry. Go ahead,
11	Mr. Bryant. And if, Mr. Bryant, when if there
12	is someone else who who is there able to
13	answer the question, then you can say, "This is
14	a question that," and you can then direct who
15	should answer the question. Okay?
16	MR. BRYANT: Okay.
17	CHAIRPERSON ANDERSON: Go ahead, sir.
18	MR. BRYANT: So, Kara, they just asked
19	a question in regards to the reservations and how
20	that process works when a person has made a
21	reservation and how they are told to that they
22	have two hours for their reservation, how they
23	are notified, when we notify them, and things of
24	that nature.
25	MS. WILSON: Yes.

1	MR. BRYANT: Can you further explain
2	that to the Board?
3	MS. WILSON: Sure.
4	MR. BRYANT: Thank you.
5	MS. WILSON: Sure. So historically,
6	you know, our concept is more of an intimate
7	concept. So our locations are normally smaller
8	than most places. So what we came up with is an
9	idea to be able to let someone come in, get the
10	full experience, and then we move on to the next
11	group of guests.
12	So when they make their reservation
13	online, they are given a blurb about our two-hour
14	seating, you know, it gives them a 15-minute
15	grace period. They get that up front. And then
16	when they actually arrive, the host that's at the
17	host stand at the door will again reiterate the
18	two-hour mark.
19	And then once we get to about
20	30 minutes until their reservation is over, their
21	server will then again reiterate, "Hi, you know,
22	you guys have 30 minutes left. I'm going to go
23	start closing you guys out. You don't have to
24	leave, but we do have reservations coming up
25	behind you."

So it's told to them at least three or
four times throughout their whole entire process
of being with us.
CHAIRPERSON ANDERSON: But you mean
but you said they don't have to leave. What does
that mean, they don't have to leave?
MS. WILSON: So some of our locations
have, you know, an area where they can stand, a
bar area. Some of them in other states have
outside areas. So it just means like you don't
necessarily have to leave the building. If there
is space at the bar, if there is space somewhere
else, you can feel free to stay. You just would
have to forfeit your actual seating arrangement
if there is a table after you.
CHAIRPERSON ANDERSON: All right. So
the reservation is so the reservation, then,
is for seating at the at I guess there is
so tell me tell me about the setup. Tell me
about the setup of the establishment.
MR. BRYANT: Here in D.C.?
CHAIRPERSON ANDERSON: Yes. That has
been that is being proposed in D.C.
MR. BRYANT: Okay. So, in D.C., there
is no outdoor seating. There is no of course,

because of COVID, there is no bar seating. 1 So at 2 the space they are CHAIRPERSON ANDERSON: Well, let me --3 4 all right. I'm hoping and praying that we're 5 going to move beyond COVID. I don't know when. MS. WILSON: Right. 6 7 CHAIRPERSON ANDERSON: But we're going 8 to move beyond COVID. And so I'm trying to find 9 like your business model. We understand that we 10 changed the law because of COVID, but so what I 11 need from you is your business model beyond 12 COVID. 13 MR. BRYANT: Okay. So beyond COVID, 14 we have, I want to say, 12 bar seats that are at 15 the bar. So if their reservation is up and their 16 two hours are up, and we have a party of six that 17 would still like to stay and enjoy the 18 atmosphere, then we could move them to the bar, 19 if the bar seating is available. Other than 20 that, so we don't have any, again, outdoor 21 seating or any extra seating beyond that. 22 CHAIRPERSON ANDERSON: I wonder if you 23 have a Certificate of Occupancy as yet from 24 Department of -- from DCRA. So about how many people do you envision, in a perfect world -- and 25

Neal R. Gross and Co., Inc. Washington DC

I don't know if you have a Certificate of 1 2 Occupancy. If you do, you can tell me. What is 3 the occupancy of the place? I'm just trying to 4 figure out how -- how this 5 It's for 44 people seated MR. BRYANT: and 66 max. 6 7 CHAIRPERSON ANDERSON: All right. So 8 there are 66 people -- all right. So you can 9 have a maximum of 66 people in the establishment. 10 So I assume that each -- and, again, the way the 11 process works, you'll get a Certificate of 12 Occupancy from DCRA, and you will come to us and 13 we -- our -- if you were to get a license, your 14 Certificate of Occupancy from us -- I'm sorry, 15 your occupancy that's on your license would not 16 exceed what's on your Certificate of Occupancy 17 from DCRA. 18 It might be smaller. Your license 19 might say that you have a smaller occupancy load, 20 but it will not exceed the occupancy load that 21 was provided by DCRA. 22 MR. BRYANT: Okay. 23 CHAIRPERSON ANDERSON: Just wanted to let you know that. So I guess the concept is 24 25 that, so once your two-hour time is done, then

you don't have to leave if as long as you have
not exceeded your occupancy load of the of the
establishment, so they can hang around the bar or
whatever they're going to do. I mean, can they
it's a hookah lounge and I'm sorry.
Is it do you have to be to
participate in well, I guess tell me, why do
people go to this type of establishment? What do
they go there for? Do they go do they go for
the bar/lounge experience, so they're going to
like sit at a bar sit at the bar, have a
drink, have some cocktails, or do I need to be at
a table, so I can
MS. WILSON: I can
CHAIRPERSON ANDERSON: participate
in hookah?
MS. WILSON: I can answer this.
CHAIRPERSON ANDERSON: What is tell
me, please.
MS. WILSON: We call ourselves Cru
CHAIRPERSON ANDERSON: Ms. Wilson, I'm
sorry. Whenever you're going to speak, because
the hearing is being transcribed, just identify
yourself before you speak. That's all. Okay?
MS. WILSON: Okay. Kara Wilson

speaking. We pride ourselves on creating an
 atmosphere where customers enjoy theirselves.
 We're not a club. We're not even a bar. What we
 are is somewhere where people are, you know,
 Instagramming, taking a lot of pictures, you
 know, they come for, honestly, our customer
 service.

8 In our previous flagship location, 9 that is the reason why we even decided to make this a franchise, because of how much the 10 11 customers really truly enjoy our experience. So 12 they're coming for the handcrafted cocktails. 13 They are coming for the small plates, because you 14 can do all of that in one seating and it doesn't 15 feel, you know, like you're in -- you're not in a 16 club.

17 It's not -- you can talk to each
18 other. You can even have a business meeting at
19 Cru. The music is not loud. It's more so just
20 having an experience.

21 CHAIRPERSON ANDERSON: Okay. I don't 22 -- anything else you want add? Or other Board 23 members -- other Board members, any other Board 24 members, do they have any questions that they 25 want to ask of any of the representatives?

1	MEMBER SHORT: Mr. Short. I
2	CHAIRPERSON ANDERSON: Yes, Mr. Short.
3	Go ahead.
4	MEMBER SHORT: have a few questions
5	I would like to ask. Any one of you can answer
6	this. You stated you have an occupancy of 66
7	people?
8	MR. BRYANT: Yes, sir.
9	MEMBER SHORT: Can you maintain that?
10	MR. BRYANT: No. Typically, our
11	reservations never go past 50 people.
12	MEMBER SHORT: No. No. We're not
13	talking reservations. On your license, or on
14	your Certificate of Occupancy, you mentioned
15	something about DCRA and the number 66. Explain
16	that to me.
17	MR. BRYANT: Yes. It was seating.
18	They said we could have 44 personnel, sir, and
19	then they said the max would be 66 persons. So
20	that includes
21	MEMBER SHORT: Let me get you let
22	me get something straight. So how many people
23	seated, and how many people standing?
24	MR. BRYANT: So 44 seated, and which
25	means that would be 22 could stand.

MEMBER SHORT: At the same time, or is 1 2 that according to seating arrangements and standing up? And I'm asking this question 3 4 because normally if you tell me it's a very small 5 location, how do you get 66 people into a small location? How many square feet is it? 6 7 MR. BRYANT: The square feet is 8 roughly 1,800 square feet. 9 MEMBER SHORT: Okay. You also mentioned that on the third floor -- you're on 10 11 the second floor, and the first floor is vacant. 12 MR. BRYANT: Yes, sir. MEMBER SHORT: On the third floor, do 13 14 you know how many -- how many customers can be 15 there? What is the occupancy number? 110, I think it is, 16 MR. BRYANT: 17 because they have outdoor seating upstairs. They 18 have rooftop. 19 MEMBER SHORT: Okay. Now let me ask 20 you this. Do you and the persons on the third 21 floor use the same exit and egress? 22 MR. BRYANT: Yes. 23 MEMBER SHORT: So if everybody had to 24 leave the building at one time, you're talking 25 about almost 200 people. How many exits and

1 egresses do you have? 2 3 MR. BRYANT: We have a front access 4 and a back access. 5 MEMBER SHORT: Okay. Let me -- so you have an exit directly off of the second floor? 6 7 MR. BRYANT: Yes. 8 MEMBER SHORT: Or you have to come 9 down to the first floor? MR. BRYANT: You have to walk down to 10 11 the first floor. So it's a set of steps -- when 12 you come through this door, as soon as you come 13 into the establishment, when you come through the 14 door, you can go directly left, and that's the 15 access to the first floor. You can come up one 16 landing and steps, and then you're on the second 17 Or you can continue to go up, and there's floor. 18 a third -- you can go up to the next landing and 19 there's the third floor. I'm kind of familiar 20 MEMBER SHORT: 21 with the building, and I'm kind of familiar with 22 the -- with the layout. 23 MR. BRYANT: Yes, sir. 24 MEMBER SHORT: I've just heard you say 25 -- so what I'm trying to get to, if there is an

emergency and everybody had to leave the building 1 2 at once, how many exits can each floor -- so on 3 the third floor, the rooftop, do they have to 4 come down to your level to get out? 5 MR. BRYANT: They can go -- yes. MEMBER SHORT: So if there is an 6 7 emergency on the front, on H Street, and they 8 can't come down the steps, everybody is going to 9 be there on the second floor; is that correct? 10 MR. BRYANT: Or they can go out the 11 back exit, sir, and go out the back door. 12 MEMBER SHORT: That's takes you to the 13 alley. 14 MR. BRYANT: Yes, sir. 15 MEMBER SHORT: All right. Now, one 16 other question. And this would be to your 17 attorney, Mr. Morris. 18 MR. MORRIS: Yes, sir. 19 MEMBER SHORT: Mr. Morris, are you the 20 agent for this -- for this business? 21 CHAIRPERSON ANDERSON: Mr. Short? 22 We're not 23 MR. MORRIS: Yes. 24 MEMBER SHORT: He's their lawyer. He 25 is their attorney, and what I'm asking,

Mr. Chair, is is he the responsible person for 1 2 this agency or the District government to get in 3 contact with if there is an issue with the 4 business. 5 CHAIRPERSON ANDERSON: But that's -all right. 6 7 MEMBER SHORT: Can you answer 8 MR. MORRIS: Yes, sir. For the 9 purpose of this license, absolutely. 10 MEMBER SHORT: You are the agent. 11 MR. MORRIS: I am the designated agent 12 on this application. Yes, sir. 13 MEMBER SHORT: Okay. Can you tell me 14 your business address? 15 MR. MORRIS: Yes. It's 9210 Corporate 16 Boulevard, Suite 230, Rockville, Maryland 20850. 17 MEMBER SHORT: Do you have a D.C. 18 address? 19 MR. MORRIS: No, I do not. 20 MEMBER SHORT: Okay. Thank you. 21 That's all I have, Mr. Chair. 22 CHAIRPERSON ANDERSON: All right. A11 23 right, Mr. Short. 24 Are there any other questions? Do any other Board members want to ask questions? 25

1	MEMBER GRANDIS: Mr. Chairman?
2	CHAIRPERSON ANDERSON: Yes, Mr.
3	Grandis.
4	MEMBER GRANDIS: May I?
5	CHAIRPERSON ANDERSON: Yes.
6	MEMBER GRANDIS: Thank you. And it's
7	a pleasure to meet you both for this hearing and
8	to help us understand the business model. It
9	sounds like to me it's an intimate experience
10	using your words. It's almost like if I had
11	invited people over to my home to have, let's
12	say, small plates, a glass of wine, you know,
13	hookah, so to speak.
14	So all of that I understand, but in
15	that in that scenario, why do you need a cover
16	charge?
17	MR. BRYANT: There is no cover charge.
18	MEMBER GRANDIS: The application is
19	requesting a cover charge.
20	MR. BRYANT: The application is
21	requesting cover charges in the event that we
22	have a special event, say if we have say someone
23	come in an entertainer come and just you
24	could grace them with their presence, or
25	something to that nature. But there is no cover

charge to -- on any given day unless stated to enter into the establishment.

3 MEMBER GRANDIS: Yes. And I can help 4 with that. We just -- when we were requesting 5 the entertainment endorsement, for placarding purposes and out of an abundance of caution, we 6 7 requested all three aspects of the entertainment 8 endorsement just -- just in the event -- as the 9 applicant mentions, in the event there was -- on 10 a rare occasion that it might be appropriate to 11 charge a cover charge. But that is not part of 12 the business model.

MEMBER GRANDIS: So the business model doesn't include bringing in promoters? Or would that be a possibility?

MR. BRYANT: We have -- we do have promoters. As far -- so that the people can make the reservation, so that the business can thrive, so that we are successful. We do have promoters for that aspect.

21 MR. MORRIS: But just to clarify, I 22 think in terms -- that would be promoting in 23 terms of advertising, as opposed to ever turning 24 over the management of the establishment to a 25 third party to host an event there.

1

1 MR. BRYANT: Correct. 2 MEMBER GRANDIS: So I understand, the 3 purpose of a promoter is more like marketing and 4 not -- and not running a special event itself? 5 MR. BRYANT: Correct. MEMBER GRANDIS: Okay. Thank you. 6 7 Thank you, Mr. Chairman. 8 CHAIRPERSON ANDERSON: Any other 9 questions anyone else wants to ask? This is Ms. 10 MEMBER CROCKETT: 11 Crockett. 12 CHAIRPERSON ANDERSON: Go ahead, Ms. 13 Crockett. 14 MEMBER CROCKETT: Can you please 15 explain your process for infusing your tobacco 16 products with CBD, and if that's done in-house, 17 if it's done outside, where are you getting your 18 CBD products, are they FDA approved and tested, 19 and things of that nature. 20 MR. BRYANT: Sure. Ms. Wilson, are 21 you on still? 22 MS. WILSON: Yes, I'm back. Hello, 23 this is Kara. So as far as the hookah goes, of 24 course these are not things that are mandatory 25 for you to purchase. This is definitely a

Neal R. Gross and Co., Inc. Washington DC

lifestyle thing, a lifestyle choice. And as far 1 2 as the CBD oil goes, we add those drops in-house 3 to the shisha when they order it. It's not mandatory. It doesn't come with every hookah. 4 5 It's by choice, so it's an add-on. Does that kind of clear it up for you 6 7 a little bit, how we make it? So it's a bottle 8 of -- it's a bottle of drops that we get from Charlotte's Web, which is the largest CBD 9 10 company, and we just add those to people's shisha 11 bowl as they order it. 12 MEMBER CROCKETT: Thank you, 13 Ms. Wilson. Yes, I'm familiar with Charlotte's 14 Web. Thank you for clarifying the process. 15 MS. WILSON: You're welcome. 16 CHAIRPERSON ANDERSON: Let me ask Mr. 17 -- both Mr. Morris and Mr. Bryant. Are you aware 18 that -- and, I mean, we are -- that at least in 19 D.C., as of July of 2018, that the Department of Health has considered -- considers cannabinoid a 20 21 form of cannabis, and that, therefore, both THC 22 and CBD cannot be present in food and beverage items in the District, or the items will be 23 24 considered adulterated? 25 So if that's -- so if the -- if the

Department of Health considers -- and that's 1 2 currently, I mean, although this agency is 3 currently regulating cannabis as a medical --4 well, medical as of October, and once adult sales 5 is -- is legalized, then we will regulate those sales. 6 7 But at the same time, until we change 8 the -- if we need to change it, the regulations 9 or the law, current law says that we cannot add -10 - CBD is considered, at least by the Department 11 of Health, by the current regulations that are 12 out, that it's considered cannabis and that 13 that's illegal in D.C. 14 MR. BRYANT: Yes. 15 MS. WILSON: I can answer this 16 question. This is Kara. 17 Yes, go ahead. CHAIRPERSON ANDERSON: 18 MS. WILSON: Our products currently 19 contain no THC. But also, we have two locations, 20 Birmingham and Miami, that do not serve hookahs 21 at all. So if that's the case, if that's what 22 needs to happen as far as them getting their 23 license through, we can definitely consider that 24 option, because we do have two locations that are 25 in similar situations where they cannot even have

1 hookah at all.

2	CHAIRPERSON ANDERSON: So tell me
3	about so tell me about the locations that
4	as I said remember, as I said to you, that we
5	can in theory, we could grant you a license,
6	but we cannot approve hookah because that's from
7	a different agency. So
8	MS. WILSON: Yes, of course.
9	CHAIRPERSON ANDERSON: And so how do
10	tell me, since you mentioned these other
11	establishments, so these are the establishments
12	that in other states who are unable to I'm
13	sorry, to get into the franchise because they are
14	unable to serve hookah. How does that how
15	does that impact the business model?
16	MS. WILSON: Well, we consider our
17	hookah sales only at 10 percent, so what we do is
18	just completely take that off the menu. It
19	really doesn't affect their sales at all because
20	they can still do the drink menu and the small
21	plates, which is really the high ticket items
22	anyway.
23	CHAIRPERSON ANDERSON: But isn't that
24	but here knowing, then, if Cru is Cru Hemp
25	Lounge, what does that entail? I mean, if I

if I go online and look up the Cru Hemp Lounge, 1 what does that -- what does that tell me? 2 Is 3 that the same name MS. WILSON: Okay. If you're 4 5 CHAIRPERSON ANDERSON: I'm sorry. Go ahead. 6 7 MS. WILSON: Oh. I was going to say, 8 if you're familiar with the brand and with the 9 name because you've been to other locations, 10 you're really going to probably be going to 11 another city to get that same atmosphere. 12 Again, it's a decoration. We have 13 leaves and it's like you're in a whole different 14 world inside. It's not like a regular, you know, 15 establishment. It's really decorated very well, 16 and people love to take pictures and it becomes a 17 whole Instagrammable moment. 18 So even without the hookah present, it 19 still gives that same, you know, quality 20 entertainment because you're still going for the 21 same drinks and still the same menu, same food. 22 It's just they don't sell hookah. That's the 23 only difference. And it will be put online which 24 locations do not have that, so customers will 25 already know that they can't get that in that

location.

1

2	CHAIRPERSON ANDERSON: Okay. So what					
3	again, what locations are you stating doesn't					
4	currently offer hookah?					
5	MS. WILSON: Birmingham and Miami.					
6	Birmingham, Alabama, and Miami, Florida.					
7	MR. MORRIS: Mr. Chairman, may I					
8	interject very briefly?					
9	CHAIRPERSON ANDERSON: Yes, Mr.					
10	Morris.					
11	MR. MORRIS: I just wanted to just					
12	note in my work with these applicants that they					
13	are aware they are aware of the separate					
14	legalities with regard to offering hookah. And					
15	as Ms. Wilson mentioned, hookah is and					
16	Mr. Bryant at the start, it is 10 percent or less					
17	of total sales.					
18	And I think Mr. Bryant also said, to					
19	the extent that the hookah is infused with CBD,					
20	that is also a sub-fraction of that. So, really,					
21	with respect to the locations that are most of					
22	the locations that are currently open, including					
23	the ones that Ms. Wilson mentioned, the Cru Hemp					
24	aspect of it right right now is primarily a					
25	branding thing as opposed to a descriptive					

1

element of what they are offering.

2	And there is some forward-looking to				
3	when things change and there might be able to be				
4	a broadening of offerings with respect to these				
5	sorts of products. But at this point, that is				
6	very much aspirational as opposed to what is				
7	going to be operational at the start. So I just				
8	wanted to clarify that point a little bit.				
9	CHAIRPERSON ANDERSON: Then, so it's				
10	aspirational. So if tell me, you're aware of				
11	the state of the law, in the sense of CBD,				
12	hookah. If we were if there are issues with				
13	the Department of Health and, again, this				
14	hookah exemption and you're aware of the state				
15	of the law currently as far as CBD, if we're to				
16	grant this if we're to grant this license				
17	tomorrow, what's your business model going to be				
18	like?				
19	MR. MORRIS: It would be an eating and				
20	drinking establishment. As Mr. Bryant mentioned,				
21	it would be probably about 50 percent food, about				
22	50 percent alcohol, and it would be everything				
23	that has been described of an intimate atmosphere				
24	where people come down for a two-hour				
25	reservation, they sit, they eat, they mingle,				

they enjoy the tremendous atmosphere, and then the only thing that's missing from it is the hookah aspect.

And, as you mentioned, the hookah only makes up about 10 percent. So a lot of the patrons of these establishments, as I understand it, don't even partake in the hookah. They come just for the food and beverage and the atmosphere and the service, and that would be the primary focus.

11 And then as time went on, and as 12 things changed, and if the laws changed and the 13 current trajectory that we see were to continue 14 and the rules were relaxed, the idea is that this 15 concept would be well positioned in the 16 marketplace to take advantage of that, even if 17 they're not able to take advantage of it at the 18 outset were the Board to grant this license. 19 CHAIRPERSON ANDERSON: All right. Let 20 me -- I want to go back to your reservation

21 system. And I know it's reservation, and I'm 22 walking -- you're aware of H Street, and I know 23 that you chose H Street for the location, what 24 H Street has to offer. And I see this Cru Hemp. 25 And I'm walking with my -- with my

1	buddies, and I see Cru Hemp Lounge, and I want to
2	I want to I'm sorry. It appears that,
3	Mr. McKinley, you have are you on an airplane?
4	MR. McKINLEY: Not currently. I'm
5	currently sitting in the airport lobby, but I
6	managed to get some connection, so I'm here.
7	CHAIRPERSON ANDERSON: Okay. Can you
8	introduce yourself for the record? No. I
9	thought I was going to if you have
10	something to say, say it now. Introduce
11	yourself for the record, sir.
12	MR. MCKINLEY: Dennis McKinley, D-E-N-
13	N-I-S, McKinley, M-C-K-I-N-L-E-Y. I'm the
14	founder of Cru Franchise Company, which operates
15	as Cru and Cru Hemp Lounge.
16	CHAIRPERSON ANDERSON: So you are the
17	one who founded the one in started in Atlanta?
18	MR. McKINLEY: Yeah. We've been open
19	in Atlanta about yeah, we've been open in
20	Atlanta 10 years, going on 11 years in November.
21	You know, I've been listening to the call.
22	I mean, Cru is really a cult
23	following. We are currently and I'm not
24	trying to brag or boast, but I want you to
25	understand how important this is to

CHAIRPERSON ANDERSON: This is your opportunity, sir, to talk about -- you're trying to convince us to give us -- give you a license, so of course, go ahead and brag.

5 Yeah. MR. MCKINLEY: No, seriously. I think -- I appreciate that. But you guys have 6 7 got a famous hot dog restaurant in D.C., and I 8 will tell you that the same way that people hear 9 about the hot dog restaurant in other cities, 10 when they say, "Hey, when you go to D.C., you've 11 got to go there," that's how they feel about Cru, 12 you know, as an entertainment venue in every 13 urban city in this country. And that's why we 14 are excited to get to the District of Columbia.

15 As you know, Atlanta is, you know, 16 probably the number one tourist destination for 17 millennials, urban professionals, especially 18 black urban professionals in this country. When 19 they come and experience Cru, the first thing 20 they ask us is, why isn't there a Cru in our 21 That's why we started to franchise the city? 22 concept in the first place.

23 So we think it's a restaurant similar 24 to what you find in Las Vegas like the Hard Rock, 25 some other venues. That's what Cru has built its

33

1 name off of.

2	Now I know there has been some
3	confusion about what Cru Hemp Lounge means.
4	We've had these conversations, you know, many
5	times before because there is some question marks
6	about what hemp is, what CBD is, but we're not a
7	cannabis, you know, company.
8	You know, Cru is an experience that
9	whether you do consume smoking of any kind of you
10	don't, our environment lends itself to freedom
11	and expression of that culture. But
12	surprisingly, you know, the tobacco-related
13	products are not just they are not a huge part
14	of our business.
15	You know, food and liquor and
16	experience and really, to be honest with you,
17	just the surname and what people hear about Cru
18	is what attracts people to our locations. We
19	have experienced, you know, tremendous growth
20	from that.
21	I know they already told you we are
22	almost up to 20 franchise locations, which is
23	just unheard of in the bar industry. It's
24	unheard of in franchise, and especially as it
25	relates to our culture. I mean, there is not

another franchise company as it relates to being, one, black-owned; being, two, for the culture as it stands, which is very similar to D.C. That's why we chose D.C. It just doesn't exist.

5 So D.C. has received a huge amount of support from the community as far -- you know, 6 7 all over the DMV, and they are looking forward to 8 coming to visit H Street, because H Street 9 already has a reputation of being somewhere that 10 urban professionals can go and -- you know, and 11 have a conversation without, you know, sitting on 12 couches, without clubbing. And, you know, Cru is 13 not a club. It's very much a social, intimate 14 experience where people can come and either do 15 business or have fun.

16 So I just wanted to add that I 17 appreciate you guys giving us the opportunity to 18 present, you know our concept. You know, we've 19 been at this a long time. Like I said this is 20 our 11th year in business. We are excited to have 21 the opportunity to do business in D.C. and be not 22 only a positive, you know, tax resource for the 23 city, but also it's a place where people can 24 come, you know, have fun in a safe environment 25 without the stress of -- you know, of a club.

1	So thank you guys very much.
2	CHAIRPERSON ANDERSON: The question I
3	was and I think you're the better person to
4	ask, Mr. McKinley. My friends and I decide to
5	walk on H Street, and we see the sign for your
6	reservation, so let's go check this place out.
7	So how is it how do you deal with that? How
8	do you deal with someone that's walking the
9	street, I see your place, I'm with my friends,
10	and I said, "Let's go check this out," if you
11	only do a reservation system, how does that work?
12	MR. McKINLEY: Well, it's really fear
13	of missing out, right? You know, we get this
14	question a lot. Well, I came to the door, but I
15	wanted to get a table, you know, but Cru is
16	reservation only. You know, if you really want
17	to check out Cru, and you really want to
18	experience, you know, Cru, if you if there's
19	room at the bar, please sit at the bar.
20	But the next time you're walking down
21	H Street, reserve a table, so you can really get
22	the full experience. And that has worked for us,
23	you know, since the beginning. But really, you
24	know, look, reservation systems are not about,
25	you know, declining business or, you know,

1

creating unhappy consumers.

2 Really, at the end of the day, it's 3 all about cash. With a reservation system, I 4 know exactly how much money we're going to make 5 that night. I know exactly how much staff I I know exactly how much product I need 6 need. 7 from day to day. You know, reservation systems 8 are really about controlling the economics of the 9 business more than anything else. 10 So, you know, we hate to turn people 11 away at the door, but every night, you know, it's 12 not a guessing game. We know how many people are 13 coming to Cru on a daily basis, how much money 14 they're going to spend per hour, and that's why 15 we have been successful. That's how we got to 16 this point. 17 So reservations are really more about 18 economics than anything. 19 CHAIRPERSON ANDERSON: I mean, in the sense that -- that if I'm -- if my friends and I 20 21 are walking down the street and I see the Cru 22 Hemp place, and I said, "Hey, you know, I've 23 heard about this. I saw it on Instagram." And I 24 can go check it out. I can walk in, and if you 25 have space, you'll let me in. That's what I'm

2	MR. McKINLEY: Yes, sir. We have			
3	we have availability. Sometimes people cancel.			
4	Some people don't show up. You know, sometimes			
5	people just want to sit at the bar. You know,			
6	most definitely we'll try to accommodate you. We			
7	have a 15-minute grace period. Some people are			
8	late, you know, so there's always an opportunity,			
9	but reservations are definitely suggested. And			
10	that's the best way to experience Cru as a brand.			
11	CHAIRPERSON ANDERSON: All right.			
12	Now, that's thank you for that because I think			
13	that was an issue that at least we had in the			
14	sense of a reservation, in the sense of walking,			
15	is that allowed.			
16	I mean, I'm so far I'm glad that we			
17	had this fact-finding, because you have provided			
18	a lot more information than I was aware. I mean,			
18 19				
	a lot more information than I was aware. I mean,

other Board member wanted to bring or ask? 1 Yes. I'd like to ask 2 MEMBER SHORT: 3 a question. I guess Mr. McKinley could answer 4 this better than anyone. 5 So, Mr. McKinley, there is a third floor in the building that you are going to be 6 7 opening your establishment in, if you are granted 8 a license, correct? 9 MR. McKINLEY: This is Dennis 10 McKinley. Mr. Short, yes, sir, that's correct. 11 MEMBER SHORT: Okay. Now, do they 12 sell alcohol on the -- on the -- do they have an ABC license also? 13 14 MR. McKINLEY: On the third floor, 15 yes, sir. So if someone doesn't 16 MEMBER SHORT: 17 have a reservation for your place, but they 18 happen to walk up, like Chairman Anderson, and 19 decide to come up, and -- and they have to pass 20 by your place to go to the third floor, correct? 21 MR. MCKINLEY: Yes, sir. 22 MEMBER SHORT: Does the third floor do 23 hookah? 24 No, sir. MR. MCKINLEY: The third 25 floor does not serve hookah, nor do they sell

So actually in D.C. we do anticipate, you 1 food. 2 know, our percentages of food potentially being a 3 lot higher, because the third floor does not 4 serve food either. So we -- we expect to get a 5 lot of that business by default. MEMBER SHORT: Would you happen to 6 7 know what the third floor's occupancy is? 8 MR. McKINLEY: If I'm correct, they 9 have a higher occupancy -- I think it's 110 --10 because they also have outdoor seating capability 11 on the rooftop deck. 12 MEMBER SHORT: Okay. Do you know if 13 they are a restaurant or a tavern, or what kind of business is it? 14 15 MR. MCKINLEY: I think you would 16 consider them just a bar or a tavern --17 bar/tavern. 18 MEMBER SHORT: A nightclub? 19 MR. McKINLEY: No nightclub. I mean, 20 they promote beer, so definitely a different 21 clientele than us. But definitely more 22 tavern/beer-focused than spirits for sure. 23 MEMBER SHORT: Okay. Thank you. 24 CHAIRPERSON ANDERSON: Is it Dirty --25 what's the name of the place? I mean, we could

1	MR. BRYANT: This is Michael Bryant.					
2	It's called Dirty Water.					
3	CHAIRPERSON ANDERSON: Dirty Water.					
4	Okay, thanks.					
5	MR. BRYANT: And they are more of a					
6	sports-type bar/tavern thing than					
7	CHAIRPERSON ANDERSON: No, that's					
8	fine. We can I just want to I think we					
9	can get the information, so but I didn't					
10	but since you mentioned it, Dirty Water is we					
11	can we can ask the agency to tell us about					
12	Dirty Water, so it's					
13	MEMBER SHORT: Okay.					
14	CHAIRPERSON ANDERSON: You gave us a					
15	name, so we're fine.					
16	Go ahead, Mr. Short.					
17	MEMBER SHORT: Thank you, Mr. Chair.					
18	Okay. I'm just really concerned, if					
19	there is and, Mr. McKinley or whomever of you					
20	can tell me does everybody have to come to the					
21	first floor? I was told you can exit from the					
22	second floor or the first floor, correct?					
23	MR. McKINLEY: That's correct. And I					
24	guess Attorney Morris can finish the statement.					
25	But, you know, when we did our due diligence, you					

know, in regards to Cru, we only looked for, you 1 2 know, locations that have already been through 3 the alcohol licensing process, has already been 4 granted approval, et cetera. So there is really 5 no guessing game in regards to safety issues or liquor license issues. 6 7 So the second floor is already 8 operated as a bar, so 9 MEMBER SHORT: Mr. McKinley, thank you 10 very much. You mentioned you checked on safety. 11 You hit the right button with me, then. Thank 12 you very much. 13 That's all I have, Mr. Chair. 14 MR. MCKINLEY: Yes, sir. 15 CHAIRPERSON ANDERSON: All right. 16 Thank you, Mr. Short. Any other questions by 17 other Board members? 18 MEMBER GRANDIS: Mr. Chair? 19 CHAIRPERSON ANDERSON: Yes, Mr. Grandis. 20 21 MEMBER GRANDIS: This is -- I'll throw 22 this out for the three of you all. You mentioned that in Miami, and I think another location, 23 24 because of their own restrictions there is no 25 hookah. So is the business model pretty much the

It's more, like you said, it's coming for 1 same? 2 a lounge and like an intimate, small party to 3 have small plates and -- and I guess specialty 4 drinks. 5 MR. BRYANT: Yes. That's correct. I'm sorry, this is Mr. Bryant. That is correct. 6 7 His system just went down for a second. Yes, it 8 would be the same atmosphere minus the hookah. 9 MEMBER GRANDIS: Okay. And when did 10 the Miami location open, and what's the address? 11 MR. BRYANT: I can provide you -- I 12 can look up the address for you and get that, and 13 they just recently opened a few months ago. 14 But, Ms. Wilson, if you're on, can you 15 give me the exact date? 16 CHAIRPERSON ANDERSON: I'm not sure if 17 Ms. Wilson is still here, although I see -- but 18 her phone is on mute, so 19 MR. BRYANT: I'll pull it up. 20 MEMBER GRANDIS: I only ask because in 21 D.C., as you know, the issue of hookah and 22 tobacco is handled by Department of Health, which 23 would be no influence on ability to -- they make 24 those decisions. So it may be that you open 25 without certain -- without the hookah initially

because of their regulations. 1 I was just interested in how the other 2 two operate. One was in Miami, and where is the 3 other one? 4 5 Birmingham, Alabama. MR. BRYANT: MEMBER GRANDIS: Birmingham. 6 Thank 7 you very much. 8 MR. BRYANT: Yes, sir. 9 CHAIRPERSON ANDERSON: All right. Any 10 other questions from any Board members? Hearing 11 none -- yes, Ms. Wahabzadah. 12 MEMBER WAHABZADAH: I'm just curious. The establishments at Cru that don't have hookah 13 14 in the other cities, what are the food and liquor 15 -- what are the percentages of food and liquor 16 sales generally at those locations? 17 Generally, it is 50/50 MR. BRYANT: 18 for their sales for food and beverages. 19 MEMBER WAHABZADAH: Thank you. 20 MR. BRYANT: Yes, ma'am. Thank you. 21 CHAIRPERSON ANDERSON: All right. Any 22 other questions by any other Board members? 23 I don't have any other questions. So, 24 Mr. Bryant, Mr. McKinley, Ms. Wilson, 25 Mr. Collins, Mr. Morris, all right, whoever

1	wanted who wants to speak, tell us
2	MR. BRYANT: Yes. So
3	CHAIRPERSON ANDERSON: any final
4	comments that you want to you want us to
5	consider in thinking about this application.
6	MR. BRYANT: I can answer one more
7	question and then speak on that, Mr. Chairman, if
8	allowed.
9	CHAIRPERSON ANDERSON: Go ahead,
10	Mr. Bryant.
11	MR. BRYANT: Okay. Thank you. The
12	location in my Miami has been open for 70 days,
13	and their address is 1822 North 8th Street.
14	That's the number eight. In Miami, Florida.
15	CHAIRPERSON ANDERSON: Okay. All
16	right. Now this is your closing, it's what
17	say whatever you want to say to bring this to an
18	end.
19	MR. BRYANT: Thank you so much. So I
20	just want to thank you guys for the opportunity
21	to hear our concept and get an understanding of
22	our concept. We truly appreciate your time. We
23	hope that we have answered all of your questions
24	to so that you can truly understand our
25	concept and our vision.

1	We look forward to joining the
2	community and making it work for the
3	reunification of the H Street as well as for Cru
4	and Wasted, Inc.
5	Again, thank you for your time.
6	Mr. Morris, if you have anything else?
7	MR. MORRIS: Just very briefly, also
8	thank the Board for the opportunity to present
9	this morning. I know when we learned there was
10	going to be a fact-finding hearing we were
11	grateful that there would be a chance to present
12	to the Board and explain a little bit more. And
13	the Board has a lot of things that they have to
14	take into consideration in the granting of a
15	license. It's not something that is pro forma or
16	that just occurs.
17	And we you know, I think that,
18	based on the presentation today, I hope that the
19	Board will conclude that not only is this
20	establishment a place that is suitable to have an
21	alcoholic beverage license it has in the past,
22	the physical establishment but that this
23	establishment itself will be, you know, an
24	accommodation to the public.
25	It will offer something new to the

to the residents of the District of Columbia. It will offer an upscale place for people to go and gather in a relaxed, safe environment, as Mr. Bryant mentioned. I think I -- I hope the Board also concludes that these individuals -you know, Mr. Bryant in particular -- is very well equipped for the responsibility of holding an ABC license here in the District of Columbia.

9 It has no -- this is not an 10 undertaking that was -- that was entered into 11 lightly or without planning and guidance and 12 support. And we would hope that the ABC Board 13 would allow this application to go forward, and 14 we very much look forward to continuing the 15 process, working with the ANC, working with the 16 community, to make sure that -- again, that Cru 17 Hemp Lounge is a good -- is a good neighbor and is a fine addition to the dining and nightlife 18 19 scene in the District of Columbia.

20 So thank you again. 21 CHAIRPERSON ANDERSON: All right. 22 Thank you. Mr. Bryant and Mr. Morris and 23 Ms. Wilson, I want to comment you -- commend you 24 for actually bringing Mr. McKinley in this 25 process. And I say that because at least it was

his vision, and it brought more attention to the fact that here is a person who came up with this idea 11 years ago. And so at least he can explain to us what his vision was and what's going on.

And so I -- so I appreciate that. Let me say I appreciate that, that he was -- he was made available. And so it's -- at least it shows to me how serious you are about this or how serious that you are about addressing the concerns of the Board.

So I -- the Board appreciates that -that the founder was here, and so the local franchisees, the CEO, COO -- and, of course, I'm an attorney myself, Mr. Morris, so I'm not going to give you any credit. Okay? I'm an attorney, Mr. Morris.
18 (Laughter.)

CHAIRPERSON ANDERSON: Ms. Wahabzadah 19 20 is an attorney, so -- and Mr. Grandis is an 21 attorney, so the attorneys don't count. Okay? 22 So don't feel left out, okay? 23 MR. MORRIS: Fair enough, Mr. 24 Chairman. Fair enough. 25 CHAIRPERSON ANDERSON: So we know that you are always there, but I appreciate the other folks who are there, in all seriousness, because it says that here -- here it is that you brought folks who could answer whatever questions that the Board has.

And I -- the Board appreciates that 6 7 because sometimes we ask questions and folks are 8 not -- we don't have the proper people available 9 to answer all of the questions that we have. And 10 I just want to say that I appreciate the fact that I believe that, at least in my view, that 11 12 all our questions so far have been answered 13 because you had the appropriate people here, 14 available to answer our questions.

So, again, thank you for appearing this morning. And the Board will take this matter under advisement and will issue a decision. The decision is to deny -- whether or not we are going to deny or whether or not we are going to placard it for the ANC and the community to participate in that process.

But that's the process that is going to follow. And whatever decision the Board makes, you know that it's going to be dependent on you getting -- as I stated before, we could --

we cannot approve a hookah lounge, so we can --1 2 we can issue an alcohol license, but we can't 3 approve a hookah lounge. So, therefore, if you're going to have -- if hookah is a part of 4 5 your business model, then you would have to get that license from -- from DCRA. 6 And the issue, when you're selling 7 8 CBD, the law currently states that CBD is 9 considered, at least the definition issued by the Department of Health, is that it's cannabinoid. 10

It's cannabis, and so, therefore, it's a cannabinoid product. So, and you can't infuse that because it's illegal to -- it's currently illegal under at least the interpretation that was issued by the Department of Health.

But, of course, that is up to your attorney to make sure that you are aware of the current law, the current law and what's -- what's recommended or what's required here in the District of Columbia.

21 So that's all. So we'll take this 22 under advisement. We'll issue a decision what 23 the next step in this application process will 24 be. Okay?

25

MR. BRYANT: Okay.
