Before we get underway with today's hearing calendar, I need to make a few instructions very clear, so that the conduct of this hearing is understood by everyone.

There's just one case scheduled for today. Once your case is called, I will take a moment for our IT specialist to elevate the rights for each party, to enable their camera and microphone. Then, and only then, will you have the ability to enable your equipment.

If your case has not been heard, you will remain muted and your camera will be disabled.

Should you have any questions, or require technical assistance, during the hearing, please submit them using the question and answer feature, or email simone.andrews2@dc.gov.

Our first order of business today, I'm going to go a little bit out of order. We're going to do our licensing agenda, and the first matter on our licensing agenda is the review
