4 CHAIRPERSON ANDERSON: Have all
5 parties written, spelled, write their name on the
6 sign-in sheet, please. All right.

7 All right. This is a Fact-Finding
8 Hearing that we are having regarding there was an
9 assault with a dangerous weapon that occurred on
10 the establishment. And, Mr. Leftwich, can you --
11 are you familiar with this case anyway?

12 INVESTIGATOR LEFTWICH: Yes.

13 CHAIRPERSON ANDERSON: And how are you
14 familiar with this case, sir?

15 INVESTIGATOR LEFTWICH: I was assigned
16 the 251.

17 CHAIRPERSON ANDERSON: So can you,
18 please, tell us what happened, sir?

19 INVESTIGATOR LEFTWICH: Yes. On the
20 morning, Sunday, October 29th of 2017, CTN No.
21 1718759 states the following:

22 On the listed date and time, MPD units

1 responded to investigate aggravated assault at
2 the listed location. Upon arrival to the scene,
3 C1, W1 and W2 reports that while at the listed
4 location, S1 through S5 became aggressive after
5 attempting to walk in the club.

6 W1 reports he stated, sorry, we don't
7 want any trouble and S1 and S5 became more
8 aggressive for an unknown reason. W1 and W2
9 further reports that S1 and S5 then attacked C1.
10 They began to kick C1 several times about the
11 body.

12 W2 reports S1 then brandished a beer
13 bottle and struck C1 in the head. C1 sustained
14 the listed injuries. S1 through S5 fled the
15 scene in an unknown direction. DCFD Medic 16
16 arrived on scene and transported C1 to George
17 Washington Hospital Center where he would be
18 treated by Dr. Obrah.

19 And on November 13th, to -- so the
20 incident took place October 29, 2017.

21 And on November 13th, I went to the
22 establishment to speak to the ABC Manager that

1 was there. However, the ABC Manager that was
2 present was a new employee and she -- or new
3 manager and she didn't have as many details as I
4 would have liked. So she ended up contacting the
5 ABC Manager that was there on duty.

6 However, they were able to inform me
7 that they had 12 security cameras working on the
8 night of the incident, that the day of the
9 incident it was -- the establishment was
10 participating in a Board-approved pub crawl
11 earlier and that evening after 10:00 p.m. after
12 the establishment had got done participating in
13 the pub crawl, that they were having a Halloween
14 party of their own that night.

15 The minimum age of entrance was 20
16 years-old on the night of the incident. And
17 there were no other special events going on,
18 outside promotions.

19 The manager that was there on the
20 night of the incident, I spoke to on the
21 telephone in the office, and she informed me that
22 the night of the incident that they noticed that

1 it was a confrontation going on. Security
2 separated the two and then the parties were
3 dispersing and then one of the patrons
4 aggressively ran up and attacked one of the other
5 patrons.

6 And at the time, from their
7 understanding, the patron that struck the other
8 patron had a bottle in his hand. And at that
9 time, at the time -- point of impact, that's when
10 the bottle broke and injured the victim.

11 At that time, the group of aggressors
12 ran out of the establishment in an unknown
13 direction, so the manager of security went to try
14 and find them. They were unable to locate them.
15 And at that time, the victim and his friend also
16 left the establishment, so they were unable to
17 secure all the parties involved at the time after
18 the incident had happened.

19 However, the establishment did call --
20 reported that they called the law enforcement to
21 have them come to the scene and when MPD arrived,
22 they informed them that since no one was there at

1 the time, that they wouldn't be there. The
2 establishment did complete an incident report,
3 which I did obtain a copy of.

4 MPD did notify them that the victim
5 was later found a few blocks away or at the end
6 of the corner. I'm assuming maybe the MPD
7 officer can speak more on that portion of it. At
8 the time, even in the report, I was not able to
9 get in contact with the victim to get their side
10 of the story.

11 I did -- and on the night of the
12 incident or the night of the visit, I was unable
13 to view the security footage due to the fact that
14 the manager who was present was unable -- she
15 didn't have the knowledge to work the operating
16 system. And when I went back to speak with them
17 about the camera setup at the establishment, I
18 was informed that the area in which the incident
19 took place, they have cameras facing the opposite
20 direction of both -- of where that area is in the
21 establishment.

22 So I took photos of how there is a

1 camera that faces the door and there is a camera
2 that faces the bar, but there is a walkway area
3 that is not covered by any footage, so where the
4 incident was reported to have occurred was unable
5 to be captured on the video footage.

6 I did review the security plan that
7 ABRA has on file and according to that specific
8 security plan, there was no evidence of them
9 failing to follow that order.

10 However, just today moments before
11 being called up here, the attorney provided us
12 with a copy of a security plan that they reported
13 to have had on file with ABRA. However, I was
14 unable to locate it in the G drive and I did make
15 copies of it and provided it to Ms. Jenkins.

16 CHAIRPERSON ANDERSON: Well, so based
17 on your investigation and based on the -- at
18 least the security plan that you reviewed, were
19 there any ABRA violations?

20 INVESTIGATOR LEFTWICH: No. Although
21 I don't feel as though, based on past
22 investigations, that the security plan actually

1 covered things that would have necessarily --
2 would have been able to protect the safety of the
3 establishment more.

4 CHAIRPERSON ANDERSON: Now, have you
5 had any conversation or subsequent conversations
6 with them about this obvious blind spot?

7 INVESTIGATOR LEFTWICH: Yes. I
8 informed them that they should -- more than
9 likely will need to get that space covered. And
10 since then, I am not sure if they have updated or
11 reviewed or changed the way that the security
12 cameras are setup or if they changed the number
13 of security cameras that they have.

14 CHAIRPERSON ANDERSON: Okay. Thank
15 you. Lieutenant Loftus?

16 LIEUTENANT LOFTUS: Yes, sir.

17 CHAIRPERSON ANDERSON: What can you
18 share with us about what occurred, sir?

19 LIEUTENANT LOFTUS: Just to clarify,
20 like he was saying, the victims, the victim and
21 their friends did leave the establishment as
22 well. They informed the officers they did that

1 for their safety after the assault occurred.
2 They wanted to get out of there.

3 As you know, the suspects fled the
4 location as well. The victim was located by our
5 officers with the injury sustained from the
6 bottle. The victim's friends were there as well.

7 One thing the victim did relay and the
8 victim's friends relayed to the officers was that
9 prior to the assault occurring, they informed us
10 that they allegedly told security there was a
11 group of males inside this establishment which
12 were trying to assault people or trying to start
13 fights and trouble and that nothing was done
14 until after the assault occurred. But again,
15 this was relayed to us from the victim's friends,
16 the witnesses.

17 CHAIRPERSON ANDERSON: Now, were you--
18 do you know whether or not MPD followed-up with
19 the establishment about this allegation that was
20 made by the victim?

21 LIEUTENANT LOFTUS: I'm not sure if
22 they did or not. Our detectives looked at the

1 criminal aspect of this case, so the assault that
2 occurred as opposed to, you know, potential ABC
3 protocol.

4 CHAIRPERSON ANDERSON: No, not from --
5 but from the perspective that they said that they
6 had reported it to security. Just from that
7 perspective.

8 LIEUTENANT LOFTUS: I don't have any
9 information about that. I'm sorry.

10 CHAIRPERSON ANDERSON: Okay. Is there
11 anything else you want to add regarding this
12 establishment or if you so desire?

13 LIEUTENANT LOFTUS: No. I would say
14 it's like any other establishment we have. It's
15 not a problematic establishment. Like any club,
16 incidents do happen, but it's not one that is on
17 my radar as being problematic.

18 CHAIRPERSON ANDERSON: So tell me who
19 again -- give me a little background on who you
20 are and how was it that you are involved with
21 this establishment.

22 LIEUTENANT LOFTUS: So I am in charge

1 of our Nightlife Unit for the 2nd District, so I
2 handle all of our -- we have a Nightlife Unit
3 that supervises the bars and restaurants and the
4 crowds. We provide high visibility patrols. We
5 respond to incidents that occur and try to manage
6 crowds and mitigate incidents before they turn
7 into larger occurrences.

8 And then we work really closely with
9 the bars and restaurant owners to try to be
10 proactive in addressing issues before they occur.

11 CHAIRPERSON ANDERSON: Thank you,
12 Lieutenant. The reason I asked that is because
13 you stated that they were not on your radar, so
14 that's one of the reasons why I asked you to give
15 us some background to say that you are actually
16 familiar with what is going on, so I do take --
17 so I can give even more weight to the
18 representations that you have made because this
19 is an area that is within your purview. So thank
20 you for that.

21 LIEUTENANT LOFTUS: You're welcome.

22 CHAIRPERSON ANDERSON: Thanks a lot.

1 Mr. Bianco, what does it -- what representation,
2 if any, can you make on behalf of your client?

3 MR. BIANCO: Well, I can let my client
4 speak as to the specific facts, but I think the
5 general overview is that an incident, in fact,
6 occurred. Once my -- once there was an issue
7 reported to security, security did take action to
8 separate the two parties who were speaking to
9 each other in a manner that may have been less
10 than appropriate.

11 And as Ms. Rocha can tell you, at that
12 point, the group of aggressors apologized to
13 whomever the victim was in this particular
14 circumstance. The two shook hands and parted
15 ways. And then thereafter, for reasons unknown
16 or without prior warning, the aggressor in this
17 circumstance then attacked the victim.

18 And as our Investigator and police
19 lieutenant have informed, both sides, both the
20 aggressors as well as the victims, fled the
21 scene. Ms. Rocha out of concern for the victim's
22 need for potentially medical attention left the

1 establishment and tried to track down or follow
2 the victims who had fled the scene and was unable
3 to locate them. They called 911 and reported it.
4 Emergency medical arrived. Police later arrived.
5 And my client at all times participated willingly
6 in the investigation. Tried to be as helpful as
7 possible.

8 In reviewing the video footage, they
9 learned of the blind spot, which was neither the
10 door nor the bar, but the area in between the
11 door and the bar. And before they even became
12 aware this would be a Fact-Finding or any type of
13 issue before the Board, they corrected the blind
14 spot. They added additional cameras right away
15 and re-aimed the cameras that they have, so now
16 not only is the bar covered, but the area in
17 between where this particular altercation took
18 place is now also covered.

19 The last thing that I wanted to
20 address, and if the Board has specific questions
21 of my client, that will be just fine, is the
22 investigation by ABRA. And the night they came

1 in, the person that they spoke with, Ms.
2 Mesquite, was a new manager. She was there for
3 about a month and she, at that time, did not know
4 how the video system operated, but it's something
5 that Ms. Rocha provides training for. I'm sorry,
6 the establishment provides training for and she
7 has since been trained up on how to work that
8 system.

9 So if there is an issue on a day where
10 she is the only manager on duty, which is a
11 rarity, as I understand it, she will be -- she
12 would be able to retrieve and show either law
13 enforcement or ABRA officials the video in real-
14 time. So if it's needed for some type of ongoing
15 investigation, that can now be provided by Ms.
16 Mesquite, who was at the time a new manager.

17 Additionally, the security plan that
18 I was handed this morning is dated November 5,
19 2013. I provided it to the Investigator who
20 provided it to the Board. And it is my
21 understanding, although I was not counsel in
22 November of 2013, but in speaking with my client,

1 that the document we provided this morning is the
2 actual approved on file security plan with the
3 Agency.

4 And the one that is attached to the
5 report, I frantically reviewed this morning when
6 I was handed the security plan and it appears to
7 be consistent. However, the would-be security
8 plan dated November 5, 2013 is far more
9 comprehensive than the one that has been worked
10 off of up to this point in the course of this
11 investigation.

12 So with that, if there are specific
13 questions, I'm glad to either answer them or have
14 my client fill in the details and the facts that
15 I'm not aware of.

16 CHAIRPERSON ANDERSON: Well, before
17 asking questions, is there any questions that --
18 any representations that you -- I know you have
19 made some representations, so does your client
20 wish to make -- to state any, made any
21 representations?

22 MS. ROCHA COURBOIS: Well, I think --

1 I mean --

2 CHAIRPERSON ANDERSON: You don't have
3 to say anything if you don't want to. I'm just
4 saying if you want to speak, you can. If you
5 don't want to speak, you don't have to.

6 MS. ROCHA COURBOIS: I mean, I was
7 present the day of the incident and we work
8 really hard at maintaining safety, especially
9 when there are bar crawls. We had a good security
10 team in place. I had two licensed ABC Managers
11 there present and myself and I feel confident
12 that we responded, you know, the way we have been
13 trained and the way that we feel that --

14 CHAIRPERSON ANDERSON: You need to
15 speak up, yeah.

16 MS. ROCHA COURBOIS: I believe that we
17 did respond in the best way possible at the time
18 when the incident happened. I did like Mr.
19 Richard said I did try and look for the people
20 that were injured, but they just took off. They
21 ran and the other gentlemen also ran off, so it
22 was kind of like it happened so quickly.

1 Sometimes these things happen really quickly,
2 it's crazy.

3 But, yes, and we did -- I did correct
4 -- I did, at that point, train Ms. Mesquite so
5 that she does now know how to use the cameras.
6 And I also contacted the company to improve our
7 camera system. We even changed out and put new
8 cameras that have clear and more open view, so
9 even the old existing cameras, the ones that were
10 not good and working, we did replace those, so
11 that I feel strongly now that our whole camera
12 system is way improved and we did add the
13 additional camera for the blind spot.

14 CHAIRPERSON ANDERSON: So about how
15 many cameras do you have now in the
16 establishment?

17 MS. ROCHA COURBOIS: We have -- I had
18 added three more cameras.

19 CHAIRPERSON ANDERSON: So that's a
20 total of how many cameras?

21 MS. ROCHA COURBOIS: So 12, 13, 14,
22 15.

1 CHAIRPERSON ANDERSON: 15. Okay.

2 Thank you. Any other -- that's it?

3 MS. ROCHA COURBOIS: Yes.

4 CHAIRPERSON ANDERSON: Okay.

5 Questions by any Board Members? Mr. Silverstein?

6 MEMBER SILVERSTEIN: I would like to
7 thank the Licensee for your representation and
8 thank you, Lieutenant Loftus and Investigator
9 Leftwich.

10 Lieutenant, looking back on this, is
11 there anything that the Licensee could have done
12 that they did not do? Anything where they fell
13 short? And not necessarily to place the blame,
14 but just going forward, is there anything that
15 could be done differently or that we could, as a
16 Board look at to do differently in this
17 particular case? Any suggestions?

18 LIEUTENANT LOFTUS: In general, again,
19 I don't know that these claims about it to the
20 security's attention or not actually occurred,
21 it's just an allegation that was made, but if
22 something is brought to the security's attention

1 to --

2 MEMBER SILVERSTEIN: I'm sorry?

3 LIEUTENANT LOFTUS: -- tend to and to
4 stop it immediately before it escalates to that.
5 Again, I don't know if that happened or not. And
6 then like they said with these pub crawls that
7 occur, just have extra resources on hand which
8 sounds like they had.

9 MEMBER SILVERSTEIN: I would ask the
10 Licensee, did the pub crawl have any affect on
11 this at all?

12 MS. ROCHA COURBOIS: It's hard to say,
13 because the pub crawls the end time is 10:00 and
14 typically it starts emptying out a little
15 beforehand and to be honest with you, we kind of
16 slow things down by 9:00, because we don't want
17 to let any more patrons in from the pub crawl.

18 We have our guests that come in on a
19 normal basis for the 10:00 shift and, you know,
20 the pub crawls they are more casual, more of a
21 casual thing and our clientele comes in more
22 dressed up. It's a little bit older. So it's

1 not good for us to have that mix. So typically
2 for us, we try to slow things down.

3 So it's hard to say if it had, you
4 know, I can't say for sure. I don't know, but
5 it's hard to say if things would have been
6 affected by the pub crawl or not, in my opinion.

7 MEMBER SILVERSTEIN: Thank you both
8 very much. Investigator Leftwich, any thoughts?

9 INVESTIGATOR LEFTWICH: Yeah, I was
10 just looking over the security plan. And I just
11 wanted to point out that the camera system states
12 that it had 16 total cameras, 12 inside and 4
13 outside.

14 MS. ROCHA COURBOIS: Oh, correct. I'm
15 sorry.

16 INVESTIGATOR LEFTWICH: So just
17 wondering if the --

18 MS. ROCHA COURBOIS: That's correct.
19 I forgot the --

20 INVESTIGATOR LEFTWICH: -- additional
21 cameras are included in that number as well.

22 MS. ROCHA COURBOIS: -- outside

1 cameras. I forgot the outside cameras. I
2 apologize. So we do have outside cameras as
3 well.

4 MEMBER SILVERSTEIN: Thank you.

5 CHAIRPERSON ANDERSON: That's it? Mr.
6 Alberti?

7 MEMBER ALBERTI: Yes. Thank you.
8 Thank you everyone for your comments. I want to
9 talk a little bit about the security plan. So
10 the one that we were handed today, the November
11 5, 2013, that was the one that was in effect on
12 the day of the incident. Is that correct?

13 MS. ROCHA COURBOIS: Correct. This is
14 the one that we use, yes.

15 MEMBER ALBERTI: Great, great. That's
16 good news because --

17 MS. ROCHA COURBOIS: Yes.

18 MEMBER ALBERTI: -- it is much -- as
19 Mr. Bianco pointed out, it's much --

20 MS. ROCHA COURBOIS: It's more detail.

21 MEMBER ALBERTI: -- more thorough than
22 the one we thought was in effect --

1 MS. ROCHA COURBOIS: I apologize.

2 MEMBER ALBERTI: -- or that we had in
3 our file. So this is great. I am going to ask
4 that you work with our attorneys at ABRA to
5 review this and make sure that it meets all of
6 our standards. They will go through it. They
7 will give you a checklist of things. It looks
8 pretty thorough, so I -- my initial assessment,
9 and I'm not the expert, is that it doesn't need a
10 whole lot of work, but they will -- if you would
11 be willing to work with them, that would be
12 great, to make sure that it is -- it meets all of
13 our standards.

14 We have -- I think since this
15 November, since this 2013 plan, new statutes, new
16 laws have been placed that put requirements on
17 security plans. So it's all spelled out and
18 that's what the attorneys here will use to review
19 it, but I think this comes pretty close.

20 MS. ROCHA COURBOIS: Thank you.

21 MEMBER ALBERTI: So that's good news.
22 And I appreciate your cooperation of that. The

1 other good -- the other thing I see here that is
2 positive is that this security plan indicates
3 that you had the intent to cover all of the
4 services areas. You didn't. I get it, mistakes
5 happen, holes happen, but, I mean, it says here
6 that it will cover all entrances, main restaurant
7 area, all table service areas.

8 So this indicates to me that that was
9 -- the intent of the Licensee was to cover those
10 areas. You missed it. It happens. So but you
11 have made --

12 MS. ROCHA COURBOIS: We have made --

13 MEMBER ALBERTI: -- taken steps to
14 amend that and that's great.

15 MS. ROCHA COURBOIS: -- those steps.

16 MEMBER ALBERTI: But it's positive
17 that you were trying. It says to me you are
18 trying and that's great. One of the things I
19 would ask is that you include in the security
20 plan sort of a layout of the establishment and
21 what is covered by the cameras, so that -- you
22 know, we will take a look at it. We will have

1 our staff here take a look at it and if we think
2 that there is maybe some area that could be
3 covered, we will give you feedback on that,
4 because the impression I'm getting is you are
5 willing to cooperate.

6 And actually, it would be helpful to
7 you and it would be helpful to everybody if we
8 did that. So I want to thank you for that.

9 MS. ROCHA COURBOIS: Thank you.

10 MEMBER ALBERTI: And I want to thank
11 the -- your officers and our Investigator for
12 their work on this. Thank you.

13 CHAIRPERSON ANDERSON: Any other
14 questions by any other Board Members? Any other
15 -- either side, any further representations?

16 Mr. Bianco, on behalf of your client?

17 MR. BIANCO: Nothing on behalf of the
18 Licensee.

19 CHAIRPERSON ANDERSON: Mr. Leftwich?

20 INVESTIGATOR LEFTWICH: I'll go to the
21 establishment and just do a check of the security
22 cameras and I'll report back to the Board.

1 CHAIRPERSON ANDERSON: Thank you.

2 MEMBER ALBERTI: Thank you.

3 CHAIRPERSON ANDERSON: Lieutenant
4 Loftus?

5 LIEUTENANT LOFTUS: No further
6 representations.

7 CHAIRPERSON ANDERSON: All right.
8 Well, I make a motion that we take no further
9 action in this case. Is there a second?

10 MEMBER SILVERSTEIN: Second.

11 CHAIRPERSON ANDERSON: All those in
12 favor?

13 ALL: Aye.

14 CHAIRPERSON ANDERSON: All right. The
15 Board will take no further action on this case.
16 However, I -- we want to make it -- it appears
17 that the Licensee acted appropriately. And I'm
18 glad that you have taken the action, too. You
19 were advised that there is a blind spot and that
20 you have -- the representation is that you have
21 positioned cameras to address this problem and
22 I'm glad for that.

1 And I'm also glad that you have
2 acknowledged that the ABC Manager who was on duty
3 that night was not well-versed in the security
4 operation. And I'm glad that you have now -- the
5 representation that you have made to the Board is
6 that this person is well-versed and that other
7 employees or other ABC Managers are also well-
8 versed in the operation usage of the camera
9 system.

10 So the Board does take that as
11 positive steps. And we will -- you have a
12 security plan that is dated the 13th. The Board
13 has that. And I would hope that you work with
14 the Board to make sure that this is compliant
15 with the statute. And I thank you for being here
16 this morning and have a good day.

17 MS. ROCHA COURBOIS: Thank you so much.

18 CHAIRPERSON ANDERSON: Thank you.

19 MR. BIANCO: Thank you.

20 MS. ROCHA COURBOIS: Thank you, Board.

21 (Whereupon, the Fact-Finding Hearing
22 was concluded at 11:25 a.m.)
