SUA SPONTE ORDER DENYING MOTION TO INTERVENE

On September 22, 2021, the Shepard Park Citizens Association (SPCA) filed a motion to intervene without clearly specifying the specific matter before the Board. As of the date of the present Order, the sole open matter related to the above-mentioned licensee is Case No. 21-CMP-00036; therefore, the Board will presume that the motion refers to that case.

The Board denies the motion to intervene in a pending show cause matter because the Office of the Attorney General for the District of Columbia is the sole entity authorized to prosecute administrative offenses, which are filed on behalf of the District and the people of the District of Columbia. D.C. Code § 1-301.81(a)(1). Therefore, no other party may claim a

legally recognizable interest in a show cause matter except, perhaps, a party with a financial interest in defending the license, such as a minority owner or creditor, in limited circumstances.

ORDER

Therefore, on this 6th day of October 2021, the Board **DENIES** the motion for intervention. The ABRA shall deliver copies of this Order to all parties identified above.
