CONSENT ORDER RESOLVING BOARD ORDER NO. 2024-694

On this 12th day of December 2024, in accordance with D.C. Official Code § 2-509(a), with the consent of the Respondents Daryl Cobham and Benzine, LLC, t/a District 93, the Alcoholic Beverage and Cannabis Board and the Respondents agree to the following terms:

1. Respondents agree to waive the right to contest the cease-and-desist order imposed by Board Order No. 2024-694, including the right to a hearing, the right to present evidence, the right to cross-examine witnesses, and the right to judicial review and appeal;
2. Board Order No. 2024-694 shall remain in full force and effect until Respondent obtains Board approval and is issued a Medical Cannabis Retailer License (and not a conditional license) at 1015 U Street NW Washington, DC 20009, so long as the Respondent sells, stores, or distributes medical cannabis and medical cannabis products authorized by its license;

3. Except for a conditional license, Board Order No. 2024-694 shall not apply to authorized and lawful commercial cannabis activity conducted under the auspices of a medical cannabis facility license approved and issued by the Board; and
4. The Board agrees that the alleged illegal cannabis activity conducted by the Respondents on or before the hearing date where the ABC Board approved this consent order, shall not be independently raised by the Board as a basis for denying one or more applications for a medical cannabis facility license or On-Premises Retailer or Off-Premises Retailer Alcohol Licenses and that the conduct occurring on or before such hearing date, related to illegal cannabis activity is not sufficient to merit finding the Respondents disqualified from holding a license. This provision is limited to the allegations contained and described in Case Report No. 24-ULC-00037.

The ABCA shall deliver a copy of this order to the Parties.
