CONSENT ORDER RESOLVING BOARD ORDER NO. 2025-077

On this 5th day of March 2025, in accordance with D.C. Official Code § 2-509(a), with the consent of the Respondent Dreams Wellness, LLC, t/a Dreams Wellness, the Alcoholic Beverage and Cannabis Board and the Respondents agree to the following terms:

1. Respondent agree to waive the right to contest the cease-and-desist order imposed by Board Order No. 2025-077, including the right to a hearing, the right to present evidence, the right to cross-examine witnesses, and the right to judicial review and appeal;
2. Board Order No. 2025-077 shall remain in full force and effect until Respondent obtains Board approval and is issued a Medical Cannabis Retailer License (and not a conditional license) at 1829 M Street, N.W., so long as the Respondent sells, stores, or distributes medical cannabis and medical cannabis products authorized by its license;
3. Except for a conditional license, Board Order No. 2025-077 shall not apply to authorized and lawful commercial cannabis activity conducted under the auspices of a medical cannabis facility license approved and issued by the Board; and

4. The Board agrees that the alleged illegal cannabis activity and alleged activity related to Schedule I substances conducted by the Respondent on or before the hearing date where the ABC Board approved this consent order, shall not be independently raised by the Board as a basis for denying one or more applications for a medical cannabis facility license and that the conduct occurring on or before such hearing date, related to illegal cannabis or Schedule I activity is not sufficient to merit finding the Respondent disqualified from holding a license. This provision is limited to the allegations contained and described in Case Report No. 24-ULC-00007 (Jan. 31, 2025).

The ABCA shall deliver a copy of this order to the Parties.
