ORDER APPROVING THE OFFER IN COMPROMISE

The above mentioned parties appeared before the Alcoholic Beverage Control Board on June 26, 2019. At the hearing, the parties proposed an offer-in-compromise (OIC) to resolve charges that the Respondent violated D.C. Official Code §§ 25-781 and 25-783 by selling alcohol to a 14 year old on February 9, 2019, during an undercover compliance check. As part of the OIC, the parties agreed that the Respondent would receive a warning for both offenses, which the Board accepts because the Respondent's violation history shows that this incident should be deemed a first offense.

Nevertheless, the Board warns the Respondent that providing alcohol to a 14 year old reflects poorly on the management and ownership of the establishment. The Board expects that the ownership will take steps to ensure that this type of violation never occurs again.

ORDER

Therefore, on this 26th day of June 2019, the Board **APPROVES** the OIC presented by the parties. The terms of the OIC are as follows:

1. The license holder shall receive two warnings for violating D.C. Official Code §§ 25-781 and 25-783.

The ABRA shall deliver copies of this Order to the Government and the Respondent.
