

The Board's records show that notice of the hearing was properly and timely sent using the contact information on file with the Board, and a link to the online Webex hearing was properly sent to the Applicant. For these reasons, there is no factual support for the contention made by the Applicant, and the Applicant has failed to prove good cause in accordance with 23 DCMR § 1603.4 (West Supp. 2020). The Board further reminds the Applicant that it is solely the responsibility of the license holder to ensure that accurate contact information is provided to the Board, and that the Applicant checks the provided contact locations for Board communications.
