3 CHAIRPERSON ANDERSON: Good morning,
4 everyone. I would like to welcome you to our
5 regular scheduled meeting for District of
6 Columbia Alcoholic Beverage Control Board.
7 Please know that today's hearings will be
8 conducted in accordance with DC Official Code,
9 Section 2574 of the Open Meetings Act. Today is
10 August 14th, 2019.

11 I would like to introduce members of
12 the board with us today. To my far right is Ms.
13 Rafi Crockett, to my immediate right is Mr.
14 Bobby Cato, to my far left is Ms. Rema
15 Wahabzadah. To her right is Mr. Mike
16 Silverstein, and to my immediate left is Mr.
17 James Short.

18 My name is Donovan Anderson; I'm
19 Chairman of the Board. We do have six members
20 in attendance today for the conduct of business
21 and we do have a quorum. I would like to
22 mention two things before we get started; first

1 of all, if you have electronic devices, pagers,
2 cell phones or such, please make certain that
3 they're turned off to avoid any interruption of
4 the proceeding. Secondly, there's a piece of
5 paper on the table; when you come for it as the
6 case is called, please take a seat at a table
7 and please listen to ensure that your name is
8 spelled correctly for the court reporter. I
9 will note that the approximate time is 9:35 a.m.

10 This is our last session before
11 we're going to celebrate after today, and so the
12 board will come back for after Labor Day. And
13 this is the first time in a long time that we
14 have had six members. The board is supposed to
15 have seven members, but now we have six members
16 sitting here, and we also have two women. And
17 I've been on the board for four years and this
18 is the first time we've ever had two women on
19 the board, so I'm happy for that.

20 Although I said all those wonderful
21 things about the positive things that have
22 occurred with the board, but on a sad note,

1 however, I would like to take the opportunity to
2 recognize and to thank Board Member Silverstein
3 for over nine years of service to the board.
4 Today is Mr. Silverstein's last day on the
5 board. Since his initial appointment to the
6 board on November 2010, Board Member Silverstein
7 has excelled at balancing the needs of the
8 business community with the concerns of the
9 residents and other members of the public.
10 Board Member Silverstein has been a leader and
11 at the forefront of many of the agency's
12 accomplishments and policy initiatives. For
13 example, Board Member Silverstein was proactive
14 in pushing for strong sales to minors
15 enforcement, recognizing the importance of
16 keeping alcohol away from the hands of minors.
17 This included Board Member Silverstein
18 highlighting that some of the agency's minors
19 were being sold, to have been as young as 13 or
20 14 years old. Board Member Silverstein was also
21 a leader in working with the board and agents
22 and staff in developing best practices in Pub

1 Crawl regulations and procedures. The majority
2 of the District's Pub Crawl events occurred and
3 Board Member Silverstein's awarding to Dupont
4 Circle, and Board Member Silverstein was an
5 advocate for ensuring that Pub Crawl operators
6 have a plan in place and operate responsible in
7 those neighborhoods where events are held.

8 Board Member Silverstein also played
9 a significant role on the board in its review of
10 moratorium of requests from the public. Board
11 Member Silverstein excelled at the difficult
12 task of evaluating the need to maintain or make
13 changes to existing moratoriums, as well as to
14 whether to implement a moratorium in the
15 neighborhood for the first time.

16 Board Member Silverstein played an
17 instrumental role on the board in ensuring that
18 the public safety of its residents and the
19 public, he proactively ensured that licensed
20 establishments closed by the chief of police or
21 the board place significant safety and security
22 measures in place.

1 Board Member Silverstein also made
2 the well-being and safety of ABRA staff a
3 priority and board tenure. Whether it be by the
4 safety of ABRA investigator who's visiting
5 establishments or ensuring that the agency's
6 legal or license division for being treated
7 professionally, Board Member Silverstein went
8 out of his way to support agency staff.

9 I've been on the board for four
10 years, I think I started at the end of my first
11 term, first four-year term as Board Chair, and
12 I've had the pleasure of working with Mr.
13 Silverstein for the past four years. And he's
14 been a valuable asset to the board, and I wish
15 him great speed in his future life. And if
16 Board Member Silverstein wishes to make a
17 statement, if he so chooses.

18 MEMBER SILVERSTEIN: Thank you, Mr.
19 Chairman. I do. And I thank you for your kind
20 words. I'm very proud of our agency and the
21 work that we do, and I want to share a story
22 that will make you proud and another one that

1 means a lot to me on a very personal matter.

2 The first deals with a gentleman
3 who's sitting in here, one of the attorney's
4 who's told me once a wonderful little event; a
5 major well-known iconic establishment in another
6 city wanted to open an office here, a restaurant
7 here. And came to him and said, "How much does
8 it cost to get a license in DC?" And I'm hoping
9 that I'm not breaking confidence here. But he
10 said, "Well, here's the schedule of fees. And
11 if you this big, it costs you that much. And if
12 you have more than 199 people, it costs you
13 more." And he went through that, the guy says,
14 "No, that's not what I mean. How much do you
15 really have to pay?" And he said, "You don't.
16 DC is clean, you don't have to pay anybody under
17 the table." And the reality and sad truth is
18 that in places as close as right across the
19 border from here, and New York where this comes
20 from and other major cities, that's not always
21 the case that licenses get slow-locked or other
22 things are. We don't have that here, and I

1 cannot tell you how proud I am to have an agency
2 that represents the second largest industry in
3 the city, hospitality with -- as another
4 attorney here will tell you -- 60,000 jobs, \$3
5 billion in revenue, which is \$300 million to our
6 city coffers that that industry operates
7 responsibly because the agency that oversees it
8 does so as well. And that means a lot to me
9 because of another event that occurred which was
10 probably the most uncomfortable in my life, at
11 least professionally. And that began here in
12 2011 when a board member resigned claiming
13 questionable practices by the chair. And
14 several weeks later I received a call at home
15 from a major nightlife operator who used words
16 like "shakedown" and made some serious
17 allegations and said other major operators would
18 back up what he was saying, and I must tell you
19 I have no way of proving any of this was true.
20 But my initial response wasn't so much outrage
21 as it was fear that if this was true, I could be
22 implicated as a board member in what would be a

1 criminal event -- and other major operators
2 would back up what he was saying -- that people
3 often believe the worst when it comes to
4 government, that we are not honest that we're in
5 it for ourselves, and that I could become
6 implicated in that even though I knew nothing
7 about what was going on. I knew a lot about law
8 enforcement types from my 30 years in the news
9 business and also from my time as an ANC
10 commissioner, so I went to someone I knew who
11 was outside of this, and he said, "Hey, you can
12 talk to the people who are running your agency
13 there." Good, and I did. And I talked to Fred
14 Moosally and informed him of what I had been
15 told, that I could not confirm it, and that
16 began an uncomfortable period while the
17 allegations were being investigated. This was
18 in March of 2011. And in April I went to Palm
19 Desert, California to escape the pollen and
20 allergy season. And I was out there playing
21 golf on the fourth hole at Marriot Desert
22 Springs. And the phone rang and it was a member

1 of our legal staff telling me I would be soon
2 receiving a phone call from someone with an
3 investigative agency, that it would be legit,
4 that I could talk to them, and that I could do
5 whatever I wanted. This was on a Friday, it was
6 my last day, and they asked me if I could come
7 in to be interviewed, and I said, "Yeah, 9
8 o'clock Monday morning." And I arrived on time,
9 spent more than half an hour answering
10 questions, and then the investigator said to me,
11 "This interview is over." I kind of looked
12 like, huh. And I said, okay, and then the
13 interviewer then said, "I'd like to say
14 something to you."

15 "Okay."

16 "You're serving as an ANC
17 Commissioner?"

18 "Yes."

19 "And you're serving open to gay?"

20 I said yes.

21 And the investigator said, "I want
22 to thank you for coming forward on this and

1 putting yourself out there. It means a lot to
2 me personally, not just that you were serving
3 openly, but that you're serving with integrity."

4 And I didn't know what to say and I
5 still don't. As one who had spent half my life
6 up to that point in the closet, those words
7 meant the world to me. Because being called to
8 serve is an honor that is far more important
9 that those of us up here and all of us in public
10 service do so with integrity, because we
11 represent our families, our neighborhoods, our
12 faiths, our races, our communities. And our
13 actions, whether we like it or not, reflect upon
14 them. Some of us have been called to pave the
15 way for others, and it is my hope as I tell you
16 this today that my service will make it easier
17 for those in my community to follow. I
18 understood that at that moment, and it's not
19 been easy for the past seven years of always
20 being on the board. There were times I felt
21 like an outsider, and perhaps because of what I
22 did. But the words I heard that day have

1 informed me and have given me the strength to go
2 on.

3 It took about five weeks after that
4 interview to clear up the ethical matter, and
5 Mr. Chairman, I can say with pride that since
6 then there have been no issues and that our
7 reputation as a board is strong as is our
8 agency. Fred, when I was confirmed nine years
9 ago, I told Jim Graham at that hearing that he
10 could wake up every morning knowing that
11 whatever his other worries might be, he didn't
12 have to worry about the stewardship of ABRA,
13 that he knew it was in good hands, and that is
14 still true.

15 To our legal staff -- Martha, April,
16 John -- you are our rock, you are as perfect as
17 can be, and it's been that way from the
18 beginning as symbols of integrity and
19 outstanding work. If I had to put together a
20 Mount Rushmore of my heroes here, it would be
21 you three and absolutely Theo Davis. As to the
22 ABRA staff, from the folks at the front desk to

1 the people in the back offices, you're the
2 kindest, finest and most capable people that I
3 could ever hope to work with and to be my
4 friends. To the investigators who run this
5 agency and make it happen, you are the ones that
6 make everything occur, that I don't know -- and
7 I really mean this -- I don't know how Fred is
8 able to keep the staff this good. And the
9 reason I say this -- and those of you who this
10 is new to -- they work until 4 o'clock in the
11 morning on some weeks and they work regular
12 schedules on others. It is an agency of high
13 integrity and high reputation and other people
14 want them, and we have seen people from this
15 agency who are among our best, and for health
16 reasons they've gone elsewhere because they
17 can't handle the 4 o'clock as they get older.
18 They get opportunities and they're able to go
19 and get great opportunities at the FBI or other
20 city agencies where they get higher positions,
21 and yet somehow Fred is able to find others to
22 replace them and keep going.

1 And those of you who do work and
2 maintain the integrity and the competence, I
3 take my hat off to you and I am in awe of you.
4 To my board members, I thank you for your kind
5 for your kindness, I thank you -- especially I
6 want to thank and pay tribute to my friend on my
7 right, Jim Short, who spent 33 years as a Deputy
8 Fire Chief, fireperson in the city, and who can
9 be the biggest pain in the neck you have ever
10 met in your life. If you were to tell him, I'd
11 like you to come to my birthday party, he'd
12 probably say what are the means of ingress and
13 egress. And can we get in and out of there
14 safety if a meteor strikes. And the truth of
15 this matter is that, as one who was in the news
16 business discovered, too many tragedies
17 involving night places. Jim has, I'm sure,
18 saved lives in ways that we can never know and
19 never prove, and there have been things that he
20 has caught and stopped that most assuredly would
21 have resulted in tragedy. And there are, again,
22 so many things that have occurred in that back

1 room that I'm not really privileged to talk
2 about, that have made life better and safer for
3 all of us.

4 And I guess I want to finish by
5 saying that it's been a difficult nine years,
6 that at times it has been the most difficult
7 time that I've had to spend here in my life.
8 But it has been worth it because of the
9 friendships that I've made, and because our job
10 is not just to serve, but to fulfill the trust
11 that you and the public place in us. And that
12 we serve with integrity. And I wish you well.

13 (Applause.)

14 CHAIRPERSON ANDERSON: Does any
15 other board member wish to -- I guess, Mr. Short
16 -- I can always tell when Mr. Short has
17 something to say. Go ahead.

18 MEMBER SHORT: Thank you very much,
19 Mr. Chair. Thank you, Mr. Silverstein, for your
20 service to the city and this agency and to your
21 community. It's been a pleasure working with
22 you over these six years that I've been on the

1 board, and you have been a wealth of information
2 to this board and invaluable, some of the issues
3 you have been in and some of the knowledge you
4 have of our nightlife, and especially your
5 community. And with that I'd like to say to
6 you, Mike, well, well wishes and God speed to
7 you. Thank you very much for your service.

8 CHAIRPERSON ANDERSON: Well, I have
9 a letter here from the mayor. It says, "Thank
10 you, Mike Silverstein. On behalf of the
11 residents of the District of Columbia, thank you
12 for participating as a dedicated member of the
13 ABC Board where you have faithfully served since
14 April of 2010. Boards and commissions play a
15 critical role in regulating industry, advising
16 different agencies and shaping policies in the
17 best interest of District residents. I'm
18 grateful for your service and commitment as a
19 member of ABC Board and its effort to create a
20 business climate responsive to resident needs.
21 I recognize the sacrifices you have made to
22 doing your tenure for residents of all eight

1 wards of our great city. The best of luck in
2 all your future endeavors. Thank you for your
3 service, Muriel Bowser, Mayor of District of
4 Columbia."

5 (Applause.)

6 And I'm going to do something a
7 little bit out of order, but I see some faces in
8 the audience. If anyone wants to say anything
9 public today, they are free to say that if they
10 want to. If not, we'll move onto our schedule.

11 All right. I guess -- go ahead,
12 sir.

13 MR. O'BRIEN: I'm Steve O'Brien, I
14 represent licensees before the board and I've
15 done so for more decades that I care to admit.
16 I'm sad, Mr. Chair, and members of the board are
17 sad to see Mr. Silverstein go, but I'm also
18 happy, happy to admit it, the chair mentioned
19 balance, balancing the interests and the needs
20 of the residential community with the business
21 community. And that's really what the work of
22 this board is, and it takes some balance going

1 back and forth. I've known Mr. Silverstein for
2 a long time, before he was on the board, when he
3 was an ANC Commissioner at Dupont Circle, and
4 even then you could see his ability to balance,
5 to recognize what's important, to recognize
6 what's not important. And he's carried that
7 forth up to his board service. And I
8 particularly noted on a number of occasions --
9 not very often -- on a number of occasions when
10 Mike Silverstein would write dissenting
11 opinions, disagreeing with what the board had
12 done in a particular case. And those opinions
13 were always reasoned and principled. One could
14 agree or disagree, but you understood why he was
15 saying it and what his motivation was. And Mike
16 referred to a dark time in the board's history,
17 there were a number of things going on that
18 should not have been going on. The -- I
19 remember one particular episode -- I'm not going
20 to get into too much detail about it -- but this
21 one particular episode the board came out to
22 read its daily agenda results, which usually

1 sounds like an auction. There's no one here to
2 listen to it; it's just to get everything on the
3 record. But Mike Silverstein insisted on, from
4 the dais, even though the room was pretty much
5 empty, delivering a very principle reason of why
6 an action the board had taken was not
7 appropriate.

8 I think he knows what I'm talking
9 about, I don't see any reason to go any farther.
10 I'm happy to see Mike Silverstein leave because
11 we can resume our friendship.

12 (Laughter.)

13 Mike, integrity is important, and
14 Mike has been enormously circumspect in our
15 dealings over the last ten years. So now we can
16 resume going out having a drink once in a while.

17 (Laughter.)

18 Because we couldn't do that over the
19 last ten years. So that's why I'm happy.

20 Thank you, Mr. Chair.

21 CHAIRPERSON ANDERSON: Thank you,
22 Mr. O'Brien.

1 (Applause.)

2 Yes, Mr. Kline.

3 MR. KLINE: Good morning, I'm Andrew
4 Kline with a law firm and general counsel for
5 the Restaurant Association. Mike, thank you for
6 your service. Thank you most of all for putting
7 the interest of public safety above everything
8 else. As Steve said, it's the balancing, but
9 outside the balancing is public safety, and
10 you've always put that first. And then beyond
11 that it was a question of balancing the
12 interests of communities and businesses which
13 you've struggled with and made intelligent,
14 reasoned decisions. Your dissents we did
15 appreciate because they shed some light in terms
16 of the board's thinking, and also let us know
17 that somebody's paying attention. When I
18 started in this business, I think when Steve
19 started there was only one board member, when I
20 started there were three. He's older than I am.

21 (Laughter.)

22 MR. O'BRIEN: I'm catching up.

1 MR. KLINE: So now we have seven.
2 Now we have seven, but in your role as a board
3 member, certainly you were no less important as
4 one-sevenths, one-third used to be. I mean, you
5 always carry your weight, you were always
6 engaged, and I know at times you struggled in
7 terms of being able to hear me or hear some --

8 MEMBER SILVERSTEIN: By the
9 witnesses.

10 MR. KLINE: You always made sure
11 that you made the extra effort to make sure that
12 you heard what the witnesses were saying
13 regardless of that, and we appreciate that. I
14 know that over the years, not only have I seen
15 you here, but also as members of the presidents
16 and Vice President's cabinet -- unfortunately
17 the Vice President is no longer with us -- we're
18 talking about a mythical Vice President on
19 television. Mike is also a member of the
20 Actor's Guild and has been on "Veep" and other
21 television --

22 MEMBER SILVERSTEIN: "House of

1 Cards."

2 MR. KLINE: "House of Cards," thank
3 you. So I hope that we will continue to see
4 there, even though we won't see here, and I know
5 that personally I will still see you. I welcome
6 you back in the room at ANC 2B when we have ABC
7 discussions because you have -- as you've always
8 done, operated completely ethically and you
9 stepped out of the room whenever there was an
10 ABC discussion at ANC 2B. And I look forward to
11 seeing you back in the room at the appropriate
12 time. I wish you well, we're going to miss you
13 here. We're going to miss your contribution.
14 As I said, you've always been engaged and you've
15 always furthered the discussions of this board
16 and contributed to intelligent reason, decision-
17 making with public safety first. Thank you for
18 your service, we appreciate it.

19 (Applause.)

20 MEMBER SILVERSTEIN: Thank you, Mr.
21 Kline. I look forward to seeing you at the
22 ballpark almost as much as I look forward to

1 seeing the Nats get a decent bullpen.

2 CHAIRPERSON ANDERSON: Thank you.

3 Thank you, everyone.

4 All right, let's go on with our
5 agenda for the day. Our first case on our
6 calendar is a protest hearing status, and it's
7 Case No. 19-PRO-00064, Po Boy Jim 2, License No.
8 105468. Would all parties present for this
9 matter please appear and identify yourself for
10 the record, please?

11 MR. SCHLOM: Good morning, Mr.
12 Chairman. Evan Schlom, I'm a protestant
13 appearing on behalf of myself.

14 CHAIRPERSON ANDERSON: Good morning,
15 Mr. Schlom. All right, who else is here?

16 MR. ORLASKEY: David Orlaskey, I'm
17 appearing on behalf of the Group of 5.

18 CHAIRPERSON ANDERSON: Good morning,
19 Mr. Orlaskey. Who else is here with you?

20 MR. TURNER: James Turner, Party of
21 5.

22 MR. DELANEY: Danny Delaney, Party

1 of 5.

2 CHAIRPERSON ANDERSON: What's your
3 name, sir?

4 MR. DELANEY: Danny Delaney.

5 CHAIRPERSON ANDERSON: All right,
6 and you ma'am?

7 MS. ANTOINE: I'm Rebecca Antoine
8 with Po Boy Jim 2.

9 CHAIRPERSON ANDERSON: Good morning,
10 Ms. Antoine. All right, we need -- all right,
11 at the roll call hearing the Group of 5 was
12 given conditional stand-in and so therefore we
13 need three members who were not at -- so who's a
14 member of the Group of 5?

15 So who are the three?

16 You're the representative, Mr.

17 Orlons --?

18 MR. ORLASKEY: Orlaskey.

19 CHAIRPERSON ANDERSON: Orlaskey. So
20 we have Mr. Orlaskey and we have Mr. Turner and
21 we have Mr. --?

22 MR. DELANEY: Delaney.

1 CHAIRPERSON ANDERSON: Mr. Delaney.
2 So Mr. Orlaskey, you were at the roll call
3 hearing, is that correct?

4 MR. ORLASKEY: Yes.

5 CHAIRPERSON ANDERSON: And so
6 therefore in order for stand-in needs to be
7 granted, we need three members today who was not
8 there. And we do not have --

9 MR. ORLASKEY: So Anita Norman was
10 present at the --

11 CHAIRPERSON ANDERSON: No, I need
12 three new members, three people today.

13 MR. ORLASKEY: Yes, I'm aware of
14 that. I have one person that's supposed to be
15 here that's not here, unfortunately.

16 CHAIRPERSON ANDERSON: Because the
17 person is not here, stand-in cannot be granted,
18 so I make a motion that the Group of 5 or more
19 be dismissed. Is there a second?

20 MEMBER SHORT: Second.

21 CHAIRPERSON ANDERSON: Mr. Short has
22 seconded the motion. All those in favor say

1 aye.

2 (Chorus of aye.)

3 Those opposed?

4 The matter passes 6-0-0. So
5 therefore, the only person who has stand-in to
6 move forward is Mr. Evan Schlom who is the
7 abutting property owner. And so basically what
8 that means is that you can still participate
9 with him because he has stand-in, but you as a
10 Group of 5 or more, you do not have your stand-
11 in. You do not have stand-in to participate as
12 a party, but if he wants to rely on your
13 expertise and present in this case, you have
14 that option, okay?

15 Are there any other preliminary
16 matter that needs to be addressed today?

17 MS. ANTOINE: Well, I only have two
18 things. I mean, my nephew was here the last
19 time, but I know it was still the trash and the
20 parking situation.

21 CHAIRPERSON ANDERSON: Hold on.

22 That's more so going -- and you have appeared in

1 front of me a couple of times.

2 MS. ANTOINE: Yes, I have.

3 CHAIRPERSON ANDERSON: That's going
4 into the substantive nature of case.

5 MS. ANTOINE: Okay.

6 CHAIRPERSON ANDERSON: So it's more
7 dealing with the schedule. Now, the only person
8 that you have to negotiate with is the abutting
9 property owner, so I don't know if that will
10 make your life easier to negotiate. I don't
11 know, but this matter is scheduled for protest
12 hearing on September 25th at 4:30. And you have
13 an opportunity, I've always said to parties you
14 can negotiate settlements because this is your
15 neighborhood, you can determine what goes on in
16 your neighborhood. If you're unable to settle
17 it, then we'll have a hearing on September 25th
18 at 4:30. But I said before, the only protesting
19 that's now in this case is Mr. Evan Schlom,
20 okay. So let me read the instructions.

21 Are you -- well, let me read the
22 instructions for a protest hearing, okay. Now

1 that we have set this matter for a protest
2 hearing, there are some additional information I
3 need to provide. I want to make sure that if we
4 have a protest hearing, that you only focus on
5 the issue that needs to be protested at the
6 hearing. The board does not intend to hear
7 testimony in matters that are not relevant to
8 this case. You should have received by
9 electronic or regular mail a letter explaining
10 the protest process, a copy of the protest
11 information form, and a copy of the exhibit
12 form. If you do not have these documents,
13 please contact Assistant General Counsel, April
14 Randall, following this hearing. It is
15 imperative that you review the rules closely and
16 adhere to them before and during the protest
17 hearing. You're also required to complete and
18 submit a protest information form and exhibit
19 form seven days before the hearing. These two
20 forms and accompanying documents need to be
21 submitted to ABRA's legal division and to all
22 opposing parties in this matter. If we do not

1 receive a copy of your PIP, your application, or
2 your protest, whichever side you're representing
3 may be subject to dismissal. Likewise, if we do
4 not receive a copy of the exhibit form and the
5 exhibits themselves, your exhibits may be
6 excluded from the record upon a finding that the
7 opposing party has been prejudice or no good
8 cause for failure to submit has been shown.
9 Likewise, witnesses other than a party may be
10 subject to exclusion if not identified in the
11 PIP. Accordingly, these forms are very
12 important; they greatly assist the board in
13 narrowing the protest issues to facilitate the
14 process and keeping the parties on board during
15 the hearing. They likewise provide notice to
16 opposing parties, enabling them to better
17 prepare for the hearing.

18 We thank you for your cooperation.
19 If you have questions today or anytime leading
20 up to the hearing, please do not hesitate to
21 contact Assistant General Counsel Randall at
22 (202) 442-4353. Again, the legal staff is here

1 to help you if you don't understand this
2 process, both sides you can meet with me, with
3 them and they will explain to you what's going
4 on. I would also just let the parties know that
5 negotiate, if you do settlements, you decide
6 what happens in your neighborhood. But if you
7 can't decide, then we will make the decision for
8 you.

9 So if I don't see you on September
10 25th, it will say that you guys reach an
11 agreement. But if not, I will see you September
12 25th at 9:30. Have a great day.

13 Yes, sir?

14 PARTICIPANT: Mr. Chairman, my
15 understanding is that the hearing is at 4:30.

16 CHAIRPERSON ANDERSON: Yes, 4:30.
17 September 25th at 4:30.

18 PARTICIPANT: Thank you, Mr. Chair.

19 CHAIRPERSON ANDERSON: Have a great
20 day. Thank you.
