

QUICK GUIDE | MINORS AND ABC ESTABLISHMENTS

The following Quick Guide addresses common questions regarding the sale, service, consumption, and possession of alcohol by minors and their presence in licensed establishments. For the purpose of this guidance anyone under the age of 21 is deemed a minor.

RELEVANT LAW

The following laws govern the sale, service, and consumption of alcoholic beverages by minors; the presence of minors in licensed establishments; the employment of minors by license holders; and identification checking requirements:

- D.C. Official Code § 25-782 (Restrictions on minor's entrance into licensed premises)
- D.C. Official Code § 25-783 (Production of valid identification document required)
- D.C. Official Code § 25-784 (Sale or distribution of beverages by minor prohibited)
- D.C. Official Code § 25-785 (Delivery, offer, or otherwise making available to persons under 21; penalties)
- D.C. Official Code § 25-1002 (Purchase, possession or consumption by persons under 21; misrepresentation of age; penalties)

LEGAL DRINKING AGE

The legal age to purchase, possess and consume alcoholic beverages in the District of Columbia is 21.

SALE OF ALCOHOL TO MINORS

A licensee shall not sell, serve, or deliver alcoholic beverages to anyone under the age of 21.

PASSING DRINKS TO MINORS

In general, it is illegal to buy an alcoholic beverage for the purpose of giving it to a person under the age of 21.

PRESENCE OF MINORS INSIDE ESTABLISHMENTS

A licensee holding an off-premise retailer's class A license shall not permit a person under the age of 18 to enter the premises between 8 a.m. and 3 p.m. when the public schools of the District of Columbia are in session during the regular school year. This requirement does not apply to supermarkets where the sale of alcohol constitutes no more than 25 percent of the supermarket's gross annual receipts.

IDENTIFICATION CHECKING

Licensees are required to take reasonable steps to ascertain that a patron is of legal drinking age. A licensee is prohibited from selling an alcoholic beverage to any patron that fails to present identification upon the request of the licensee.

EMPLOYMENT OF MINORS IN LICENSED ESTABLISHMENTS

Under 18: Licensed establishments may not permit persons under the age of 18 to sell, serve, or deliver an alcoholic beverage.

18 and Over: Persons over the age of 18 and under the age of 21 may sell, serve, or deliver alcoholic beverages, but may not work as a bartender. They may also deliver alcohol to off-premise locations and engage in home delivery on behalf of licensees, common carriers, internet delivery services, etc. Licensees are advised to confirm that anyone under the legal age picking up alcohol on behalf of a third party does so solely as part of their lawful employment responsibilities and will only possess the alcohol for a short amount of time.

OFFENSES BY MINORS

It is illegal for a person under the age of 21 to engage in any of the following acts:

Both licensees and unlicensed individuals that fail to abide by the rules governing alcoholic beverages and minors may face criminal penalties. In addition, licensees that violate these rules may face fines, as well as possible suspension or revocation of their alcoholic beverage license.
