

PETITION INSTRUCTIONS TO UNILATERALLY AMEND OR TERMINATE A SETTLEMENT AGREEMENT

A licensee that has had a settlement agreement in place for four years or more may apply to unilaterally amend or terminate the agreement during the license renewal period. The request is subject to the review and approval of the Alcoholic Beverage Control Board (Board). In addition, any amendment or termination would require notice to the other parties to the agreement as well as to the public.

A licensee is only eligible to amend or terminate a settlement agreement without the permission of the other parties if the:

1. Agreement has been in effect for four years or more from the date the agreement was approved by the Board.
2. Request is made with the Petition to Unilaterally Amend or Terminate a Settlement Agreement (provided below) or by a written letter which complies with D.C. Official Code § 25-446(d)(2)-(5).
3. Licensee demonstrates that he or she has made a diligent effort to locate the other parties to the settlement agreement. If the other parties to the agreement are located, the applicant must show that he or she made a good faith attempt to amend or terminate the agreement by certifying that:
 - A meeting occurred but did not result in an agreement; or
 - The other parties did not want to meet with the applicant.
4. Applicant submits the Petition to Unilaterally Amend or Terminate a Settlement Agreement or letter along with all of the settlement agreement(s) that the applicant wants to amend or terminate.
5. Licensee signs the petition certification and has the signature(s) notarized.
 - If the applicant is a sole proprietor, the individual must sign; if partnership, each partner must sign; if corporation, the president or vice president must sign; if LLC, the managing member(s) must sign.
6. Request is submitted along with the license renewal application.
