**ORDER ON SETTLEMENT AGREEMENT AND
WITHDRAWAL OF ANC 2B'S PROTEST**

The Application filed by Suri DC, LLC, t/a Suri (Applicant), for a new Retailer's Class CN License, having been protested, came before the Alcoholic Beverage Control Board (Board) for a Roll Call Hearing on September 28, 2020, in accordance with D.C. Official Code § 25-601 (2001).

The official records of the Board reflect that the Applicant and ANC 2B have entered into a Settlement Agreement (Agreement), dated November 12, 2020 that governs the operation of the Applicant's establishment.

The Agreement has been reduced to writing and has been properly executed and filed with the Board. The Applicant and Chairperson Daniel Warwick, on behalf of ANC 2B, are signatories to the Agreement.

This Agreement constitutes a withdrawal of the Protest filed by ANC 2B.

Accordingly, it is this 2nd day of December 2020, **ORDERED** that:

1. The Application filed by Suri DC, LLC, t/a Suri, for a new Retailer's Class CN License, located at 1217 Connecticut Avenue, NW, Washington, D.C., is **GRANTED**;
2. The Protest of ANC 2B in this matter is hereby **WITHDRAWN**;
3. The above-referenced Settlement Agreement submitted by the Parties to govern the operations of the Applicant's establishment is **APPROVED** and **INCORPORATED** as part of this Order, except for the following modifications:

Section 5 (Noise and Privacy) – Last paragraph, the language “sidewalk café” shall be replaced with the language “summer garden.”

Section 10 (Notice and Opportunity to Cure) – The language “cause for seeking a Show Cause Order from the ABC Board” shall be replaced with the language “cause for filing a complaint with the ABC Board.”

The parties have agreed to these modifications.

4. Copies of this Order shall be sent to the Parties.

Pursuant to D.C. Official Code § 25-433(d)(1), any party adversely affected may file a Motion for Reconsideration of this decision within ten (10) days of service of this Order with the Alcoholic Beverage Regulation Administration, 2000 14th Street, N.W., Suite 400S, Washington, DC 20009.

Also, pursuant to section 11 of the District of Columbia Administrative Procedure Act, Pub. L. 90-614, 82 Stat. 1209, D.C. Official Code §2-510 (2001), and Rule 15 of the District of Columbia Court of Appeals, any party adversely affected has the right to appeal this Order by filing a petition for review, within thirty (30) days of the date of service of this Order, with the District of Columbia Court of Appeals, 430 E St. N.W., Washington, D.C. 20001; (202/879-1010). However, the timely filing of a Motion for Reconsideration pursuant to 23 DCMR §1719.1 (2008) stays the time for filing a petition for review in the District of Columbia Court of Appeals until the Board rules on the motion. See D.C. App. Rule 15(b) (2004).

THIS SETTLEMENT AGREEMENT (“Agreement”) is made on this 12 day of November, 2020 by and between Suri DC LLC t/a Suri, ABRA License 116562 (“Applicant”), and Advisory Neighborhood Commission 2B (“Protestant”), (collectively, the “Parties”).

WITNESSETH

WHEREAS, Applicant has applied for a Retailer’s Class “C” Nightclub #116562 for a business establishment (“Establishment”) located at 1217 Connecticut Avenue, Washington, D.C. (“Premises”);

WHEREAS, the Parties have agreed to enter into this Agreement and request that the Alcoholic Beverage Control Board (“ABC Board”) approve the Applicant’s license application conditioned upon the Applicant’s compliance with the terms of this written Agreement; and

WHEREAS, the Parties are desirous of entering into a Settlement Agreement pursuant to D.C. Official Code § 25-446 for the operation and maintenance of the Establishment in such a manner as to minimize the effect on (i) peace, order, and quiet of the neighborhood and (ii) to eliminate the need for a Protest Hearing regarding the license application.

NOW, THEREFORE, in consideration of the recitals set forth above and the mutual covenants and conditions set forth below, the Parties agree as follows:

1. ***Recitals Incorporated.*** The recitals set forth above are incorporated herein by reference.
2. ***Nature of the Business.*** The Applicant will manage and operate a Retailer’s Class “C” Nightclub. Any change from this model shall be considered by both Parties to be a substantial change in operation of great concern to residents and requires prior approval by the ABC Board.
3. ***Hours of Operation.*** The Applicant’s interior hours of operation, hours of sales/service/consumption, and entertainment shall not exceed the following:

Sunday through Thursday: 8:00 A.M. – 5:00 A.M.
Friday and Saturday: 8:00 A.M. – 5:00 A.M.

The Applicant’s hours of operation in the summer garden shall not exceed the following:

Sunday through Thursday: 8:00 A.M. – 5:00 A.M.
Friday and Saturday: 8:00 A.M. – 5:00 A.M.

The Applicant’s hours of sales/service/consumption of alcohol and live entertainment in the summer garden shall not exceed the following:

Sunday through Thursday: 11:00 A.M.- 2:00 A.M.
Friday and Saturday: 11:00 A.M.- 3:00 A.M.

Nothing in this Agreement shall prevent the Applicant from applying for extended hours during the following:(a) on days designated by the DC ABC Board as "Holiday Extension of Hours"; (b) in the event the Council of the District of Columbia or the ABC Board grants licensees in general extended operating hours (such as for Inauguration) applicant may avail itself of such extended hours; and (c) on January 1 of each year applicant may operate until 4:00 A.M.

4. *Trash.* The Applicant agrees to obtain a dumpster to be placed in the rear of the building. Applicant shall use reasonable efforts (meaning what a prudent reasonable neighbor would do) to ensure that the area around the dumpster is kept clean at all times and the dumpster is placed such that it does not encroach on the abutting property owners and so that no garbage is placed on the abutting property.

5. *Noise and Privacy.* Applicant will strictly comply with D.C. Official Code § 25-725 and take all reasonable measures to ensure that music, noise and vibration from the Establishment are not audible within the adjacent residential properties. Applicant utilized a sound study and sound design prepared by I Design Miami which is Exhibit A and The Construction Group which is Exhibit B. Specifications for the enclosure and design will meet or exceed the sound study's noise mitigation standard.

Applicant agrees to take reasonable steps to keep its doors and windows closed when live music is being played at the establishment. (Reasonable steps meaning as a default the policy would be to keep doors and windows closed while music is being played, to not allow music to travel outside the establishment and become a nuisance for the neighbors. This closure shall not be enforced for purposes of ingress and egress or any situation where enforcement of such would become a safety hazard. This also would not apply to rooftop) Applicant agrees to implement reasonable sound mitigation measures on the interior and in the outdoor areas. Noise mitigating actions may include, but is not limited to, installation of sound absorbing and sound dampening materials, and the placement of speakers.

Applicant will take reasonable measures to promote pre-sale and sales of admission/table service through phone service and/or on line in order to reduce the number of customers waiting outside to be admitted, thereby preventing noise.

Applicant agrees that employees or security personnel shall take reasonable steps to monitor the sidewalk café area to ensure that patrons are not rowdy or loitering immediately in front of the establishment.

6. *Rats and Vermin Control.* The Applicant shall provide rat and vermin control for its property. Applicant shall take reasonable steps to have the Establishment and the area around the Premises properly cleaned at the end of each night.

7. *License Ownership and Compliance with ABRA Regulations.* Applicant promises to Protestants that it shall abide by all Alcoholic Beverage Regulations Administration (ABRA) regulations regarding the ownership of the license and all other provisions applicable to liquor licensees, and agrees that Protestants shall have standing to ask the ABC Board to enforce any

violations of the agreement.

8.Security. Applicant shall submit a security plan to ABRA pursuant to D.C. Code § 25-402.

9.Communications/Contact: Applicant agrees to designate at least one individual staff member or manager to address specific concerns or issues raised by the community. Specifically, Applicant will provide the ANC the name and contact information for an individual to which any comments about the operation of the establishment may be addressed.

10. Notice and Opportunity to Cure. In the event that any of the parties is in breach of this Agreement, it shall be entitled to reasonable notice and opportunity to cure, as a condition precedent to seeking enforcement of the Agreement. Unless the breach is of an emergency nature or is a repetition of a prior breach, reasonable notice and opportunity shall provide for a cure within 30 days of the date of such notice. If Applicant or the licensee fails to cure within the 30-day period (or, with respect to a breach which reasonably requires more than 30-days to cure, fails to commence cure of such breach and diligently pursues such cure) failure shall constitute a cause for seeking a Show Cause Order from the ABC Board pursuant to D.C. Official Code § 25-447. Unless otherwise noted above, any notices required to be made under this Agreement shall be in writing and mailed via certified mail, return receipt requested, postage prepaid, or hand-delivered, to the other parties to this Agreement at the following addresses. Notice shall be deemed given as of the time of receipt or refusal of receipt:

All the system can be painted to any RAL color

All the connection tools have 304 stainless quality

structuralshadesystem

The strong structure allows cleaning from the top of the system or it can be cleaned from inside by aligning panels to 90degrees

The light fixtures and accessories can be integrated through the horizontal supporting panels without additional conduit

The system can handle up to 25lbs per SQF snow load

In order to prevent misuse the system is guided by automated control unit (The system can be fully retracted when it is opened 105 degrees or/and 105 degree opened system can be retracted all the way to the front and the panels can be locked after)

You can position the system at any point and angle via remote control unit

The panels can be adjusted depending on angle of the sun any time of the day

The system allows ventilation even under rain

structuralshadesystem

When the system is opened 105 degrees , 2/3 of the whole system can be retracted

 structuralshadesystem

The system is capable of axial rotating and retracting

Panels are specifically engineered not to allow any dirt or debris fall inside the living area even they are open 105 degrees

The panels are designed to rotate up to 105 degrees in order to achieve shadowing and ventilation in every angle of the sun

structural  shadesystem

The panels are specifically designed to interlock. At the lock points we use specially designed plastic seals to achieve 100% water isolation
