You have requested a hearing before the Board conducted in accordance with subchapter I of Chapter 5 of Title 2. As such, you may appear personally at the hearing, and you and the establishment, may be represented by legal counsel. You have the right to produce witnesses and evidence on your behalf and to cross-examine witnesses. You may examine evidence produced, and have subpoenas issued on your behalf to require the production of witnesses and evidence.

All hearings are conducted in the English language. If you, any corporate officer, or any witnesses to be called are deaf, have a hearing impediment, or cannot readily understand or communicate the spoken English language, an application may be made to the Board for the appointment of a qualified interpreter.

Your failure to appear at the time and place set for the hearing, if requested, either in person or through counsel, or both, will not preclude the Board from proceeding in this matter. Should you have any questions, contact ABRA Adjudication Specialist Danette Walker at 202-442-4418.
